Film & Video Finder ,1997 **Bowker's Complete Video Directory** ,2000 Biology of Sharks and Their Relatives Jeffrey C. Carrier,John A. Musick,Michael R. Heithaus,2004-03-29 Winner of Choice Magazines Outstanding Academic Title award January 2005 Sharks and their relatives are the subjects of tremendous interest The publics fascination is influenced by their roles in movies and popular literature while the media races to cover stories of predators endangering helpless humans The alarming threat to shark popul **Great White Sharks** A. Peter Klimley,David G. Ainley,1998-04-03 Now available in paperback the first comprehensive reference on Great White sharks separates fact from fiction and presents real evidence of the ecology and behavior of these remarkable animals The volume begins with the evolution of the white shark and its relatives and continues with sections on its anatomy behavior ecology distribution population dynamics and interactions with humans Included in the volume are many illustrations maps diagrams graphs and photos Covers all biological aspects of Great White sharks Includes contributions from an international team of leading authorities Heavily illustrated with maps diagrams graphs and photos *The Video Source Book* David J. WEINER,1990 The NEW Shark Troller's Bible , The Diary of a Patient Man, a Father's Struggle William Stoneking,2006 A compelling and inspirational true story of a father s plight and fight for his only child and the nightmares of dealing with his domestically violent ex wife and a biased court system that tried to chase him away **Goodbye, Guns N' Roses** Art Tavana,2021-04-13 Goodbye Guns N Roses transports the reader into a mind altering trip through the colors scandals nihilism and mythology that make Guns N Roses so much more than another hair metal band A valentine and a breakup letter to one of rock s most controversial bands Goodbye Guns N Roses is a genre rattling attempt to explain the appeal of America s most divisive rock band While it includes uncharted history and the self lacerating connoisseurship of a Guns N Roses fetishist it is not a recycled chronicle this book is a deconstruction of myth one that blends high and low art sketches to examine how Guns N Roses impacted popular culture Unlike those who have penned other treatments of what might be considered a clich d subject Art Tavana is not writing as a GNR patriot or former employee His book aims to provide an untethered exploration that machetes through the jungle of propaganda camouflaging GNR s explosive appeal After circling the band s three decade plundering of American culture Goodbye Guns N Roses uncovers a postmodern portrait that persuades its viewer to think differently about their symbolic importance This is not a rock bio but a biography of taste that treats a former hair metal band like a decomposing masterpiece This is the first Guns N Roses book written for everyone from the Sunset Strip to a hyper digital generation s connection to Woke Axl it is a pop investigation that dodges no bullets **Move the Message** Josephine Bellacomo,2004 Many of us without the money to contract special media consultants or expensive public relations firms want to create change in the world but find communicating our vision difficult whether our audience is one individual small groups large audiences or the media Take action and empower others to act with this strategic approach Target your

message to the appropriate power holders Design and pitch a compelling persuasive presentation with visual impact Field questions and comments to energize your audience to take action and move the message to others With confidence negotiate for progressive outcomes construct captivating soundbites to the media deflect personal attacks and take the message to the streets to get winning results In Move the Message communications consultant and activist Josephine Bellacomo delivers a step by step process complete with tips tactics strategies examples and exercises to ensure that your message is focused powerful and unstoppable Whether the difference you want is local or global this guide is essential for activists and concerned individuals working to create lasting change Whether the difference you want to make is local or global Move the Message is an essential guide for activists and concerned individuals in any cause and is sure to become a classic in the field

Sharks: A History of Fear in Australia Callum Denness, 2019-09-24 For as long as people have lived in Australia the shark has loomed large in our fears From the Noongar people of Western Australia who stayed out of the water for fear of being taken to media hysteria about attacks and even sightings today sharks occupy the dark recesses of our national psyche unlike any other predator They challenge the very sense of ourselves as Australians a people who hug the coastline and love the freedom of the surf And the dispute between whether to kill or protect sharks cuts to the political core of our nation yet another divide between the right and the left There is no denying that shark attacks have been increasing in recent years and so have our fears Where do we go from here How worried should we be Journalist Callum Denness deep dives into the history of our relationship with sharks and circles our fear by talking to activists marine biologists politicians surfers survivors and those who've lost loved ones Compelling and challenging this is the clearest picture yet of whether or not we can co exist with sharks Don't get back into the water until you read Sharks A History of Fear in Australia
