Sharp Golden Thorn:

Sharp Golden Thorn Chard DeNiord, 2003 Poetry In this follow up to the award winning collection *Asleep in the Fire* CharddeNiord's verse ranges from the quirkily amusing to the deeply lyrical and meditative even mystical Although we come to know the touchstones and totems of the poet's life in New England the work is essentially unrestrained by geography or time ranging as far afield as the poet's imagination allows A master of the emphatic statement the clear proposition about the world deNiord presents a poetry that has absorbed the deep imagery of the last fifty years and the moral philosophy of the last five hundred SHARP GOLDEN THORN reveals that Chard deNiord is one of the most outstanding poets at work today

On the Edge of the River Sar Rosalía de Castro, 2014-10-16 This book presents the first feminist translation of Rosalía de Castro's seminal poetic anthology *En las orillas del Sar* *On the Edge of the River Sar* 1884 Rosalía de Castro 1837-1885 was an artist of vast poetic vision Her understanding of human nature and her deep sensitivity to the injustices suffered by women and by such marginalized peoples as those of her native region Galicia are manifest in verses of universal yet rarely translated significance An outspoken proponent of both women's rights and her region's cultural and political autonomy Castro used her poetry as a vehicle through which to decry the crushing hardships both groups endured as Spain vaulted between progressive liberal and conservative reactionary political forces throughout the nineteenth century Depending upon what faction held sway in the nation at any given time during Castro's truncated literary career her works were either revered as revolutionary or reviled as heretical for the views they espoused Long after her death by uterine cancer in 1885 Castro was excluded from the pantheon of Spanish literature by Restoration society for her unorthodox views Compellingly the poet's conceptualization of the individual and the national self as informed by gender ethnicity class and language echoes contemporary scholars of cultural studies who seek to broaden present day definitions of national identity through the incorporation of precisely these same phenomena Thanks to the most recent works in Rosalian and Galician studies we are now able to recuperate and reevaluate Rosalía de Castro's poems in their original languages for the more radical symbolism and themes they foreground related to gender sexuality race and class as they inform individual and national identities However although Castro's poetic corpus is widely accessible in its original languages these important features of her verses have yet to be given voice in the small number of English translations of only a subset of her works that have been produced in the last century As a result our understanding of Castro's potential contributions to contemporary world poetics gender studies Galician and more broadly cultural studies is woefully incomplete An English translation of Castro's works that is specifically feminist in its methodological orientation offers a unique and thought provoking means by which to fill this void
