Shaven Angels :

Shaven angels Peter Lorenz,2004 These Shaven Angels are both simultaneously vulnerable and self confident There is nothing artificial or doll like about these angels They really look like the proverbial girl next door It s not the size of their breasts or the length of their legs that matters but solely their personalities Lorenz has a surprising answer to the question of whether the girls had to shave themselves expressly for his photo shoots Nine out of ten were shaven already he says He believes that their hairlessness has to do with a fashion trend and perhaps with the urge to catch up on something that was formerly forbidden because of an old taboo Sweet Shaven Angels 2 Mikhail Paramonov,2012-09 Text in English German French In the garden of Heaven there already was a snake As for the little juicy fruit Eve gave to humanity it probably was already the carefully shaven genitals pulpy and plump that the girls display in this book with a smile They offer themselves to be seen self confident without hiding anything of their slit genitalia like a tempting fruit When they spread their thighs they may unveil the little hill of their vulva but their cheeky looks and postures are always playful Here we are in the realm of pretense a world of fantasy where Eves daughters become elusive fairies Hell's Angels Yves Lavigne,1993 Not since Hunter Thompson s seminal Hells Angels A Strange Terrible Saga of the Outlaw Motorcycle Gangs in 1967 has there been such a thorough account of the Angels This book documents the gang s bumpy ride from its origins as a Stateside club for WWII fighter pilots to its freewheeling terror tactics of the early sixties to its absurd flirtation with the hippie scene to its current status as one of the most powerful underground organisations in North America rivalling even the Mafia Review Arthur Preuss,1929 Lower than the Angels Diarmaid MacCulloch,2025-04-15 A groundbreaking history of sexual emotion sexual activity gender relations marriage and the family and how Christianity has interacted with this panorama of human concerns Few matters produce more public interest and public anxiety than sex and religion Much of the political contention and division in societies across the world centres on sexual topics and one third of the global population is Christian in background or outlook The issue goes to the heart of present day religion This book seeks to calm fears and encourage understanding through telling a three thousand year long tale of Christians encountering sex gender and the family The message of Lower than the Angels is simple necessary and timely to pay attention to the complexity and contradictions in the history of Christianity The reader can decide from the story told here whether there is a single Christian theology of sex or many contending voices in a symphony that is not at all complete Oxford s Emeritus Professor of the History of the Church introduces an epic of ordinary and extraordinary Christians trying to make sense of themselves and of humanity s deepest desires fears and hopes **The Fall** Samuel Lucas,2017-01-09 The Fall by Samuel Lucas We all know the story Lucifer rebelled against God in Heaven and tried to take His position Have we ever thought of how that story began In The Fall we get a glimpse of what it may have been like in Heaven before Lucifer s rebellion and the resulting war that is still fought today The angels of Heaven all share a common love of God whom they call Father When Father announces that He will once

again begin the process of creation however the eyes of a hidden enemy turn towards the Mercy Throne the seat of power in Heaven Malkiel is just another angel in the midst of thousands another face in the crowd Joined by his friends Malkiel must combat the first seeds of evil in the original conflict between light and dark Brother turned against brother war on an epic scale and the birth of evil This is the story of Lucifer's fall

Angel Awakening Rachel Medhurst, My name is Hope I bet you've never seen a world like mine Earth is full of two races the Avoidables and Perfects I'm an Avoidable because I only have one arm I was born that way Because of my defect my mother had to move to the Lower Side The Perfects are humans that have no physical flaws They live in luxury while we live in filth Avoidables have defects ranging from looks to unexplained gifts Some of us are half breeds Half human half something else We all live in cities usually divided in two The Perfects live on the Upper Side while the Avoidables inhabit the Lower Side We've been consumed by hate for a race that rejects us so heartlessly We've become dangerous This box set contains the first three books in the series

Book of Potions Lauren K. Watel, 2025-03-04 Winner of the 2023 Kathryn A Morton Prize in Poetry selected by Ilya Kaminsky Written with tremendous urgency and ferocious candor the prose poems of Book of Potions captures a woman caught in the middle of life no longer young not yet old trapped between generations locked in stereotyped roles and stultifying social norms confined by other people's expectations and their projections of what a woman should be By turns enraged funny frustrated astute and joyful these short hybrid pieces potion poem fiction combine the lyric compression of poetry with the narrative expansiveness of prose Readers will meander spellbound through a wildly imaginative dream world of fairy tale landscapes allegorical insights social satire thought experiments and vivid surreal imagery scenes of otherworldly strangeness and haunting beauty These potions are elixirs in language some healing some poisonous all magical
