She Came To The Valley:

Stories from the Sunshine Mountain Valley Drew Bridges, 2007-03 The Sunshine Mountain Valley is a lovely little crossroads community in north central south western North Carolina located near the intersection of two interstate highways two great concrete and steel ribbons of travel and commerce that cross and go their separate ways just out of sight and out of mind of the people of the valley These are their stories some told from the porch of the Bull Tail Tavern so named because the owner was enamored of Mark Twain who noted that the man who takes a bull by the tail is privileged to information not available to others People of the valley live lives and have experiences not available to others Read this book for the simple enjoyment of the stories or as an aspiring storyteller Each of the main stories is followed by a section discussing a potentially difficult element in the telling of that story There are unfinished stories for the writer or storyteller to complete and shorts about children to remind all readers that we are all storytellers *The Happy Valley* Bithia Mary Croker, 1904 **Second Annual Magazine Edition**, 1909 *Valley of the Moon* Melanie Gideon, 2016-07-26 The author of the critically acclaimed *Wife 22* has written a captivating novel about a love that transcends time perfect for readers of *The Time Traveler's Wife* Time and Again and the novels of Alice Hoffman San Francisco 1975 A single mother Lux Lysander is overwhelmed underpaid and living on the edge of an emotional precipice When her adored five year old son goes away to visit his grandparents Lux takes a solo trip to Sonoma Valley a chance to both lose herself and find herself again Awakened at midnight Lux steps outside to see a fog settled over the Sonoma landscape Wandering toward a point of light in the distance she emerges into a meadow on a sunny day There she meets a group of people whose sweetly simple clothing speech and manners almost make them seem as if they are from another time And then she realizes they are Lux has stumbled upon an idyllic community cut off not only from the rest of the world but from time itself The residents of Greengage tell a stunned and disoriented Lux that they've somehow been marooned in the early twentieth century Now that she has inexplicably stepped into the past it is not long before Lux is drawn in by its peace and beauty Unlike the people of Greengage Lux discovers that she is able to come and go And over the years Lux finds herself increasingly torn between her two lives Her beloved son is very much a child of the modern world but she feels continually pulled back to the only place she has ever truly felt at home A gorgeous original and deeply moving novel about love and longing and the power that time holds over all of us Valley of the Moon is unforgettable Praise for Valley of the Moon The literary equivalent of a farm to table delicacy lovingly handcrafted delectable and transcendent becoming more than just a tasty appetizer but a full course experience of love and time and all the mystical beauty that the region has to offer San Francisco Chronicle Beautifully written Valley of the Moon is a wonderful story about belonging love and the aching certainty that there's something more out there sure to appeal to fans of Time and Again or The Time Traveler's Wife Shelf Awareness starred review With lovely shades of The Time Traveler's Wife Valley of the Moon is a magical cinematic novel breathlessly romantic and alive with the love of language

Stardust Valley T. L. Haddix,2023-10-12 First loves and second chances Forgiveness and forever Life has beaten up on Sophie pretty harshly through the years including the crushing heartbreak of losing the first boy she ever loved The boy she s never truly gotten over Noah Campbell She s a lot less trusting than she used to be with good reason Aside from her best friend Noah s brother Eli she s been betrayed by everyone she ever cared about But she s never forgotten her feelings for Noah or been able to put them aside no matter how much she s wanted to over the years Now that life and circumstances have thrown them together again a clash is inevitable A clash that starts with a stolen kiss Noah has loved Sophie since he was a seventeen year old kid but thanks to her manipulative cousin and his own youthful stupidity he lost her Being a stubborn Campbell he takes a while to figure out the truth and his feelings and do something about them Like over ten years It doesn t help that he s an introvert who s a medium who comes from a long line of people with abilities that normal folks don t have like shape shifting Yeah there s that complication Can Noah and Sophie finally set aside their hurt and distrust Or will they give up the chance for happiness with each other in the name of protecting their hearts **Obituaries from the**

Valley of Secrets Kari Lee Harmon,2021-09-07 Anna Wilks went straight from her parents house to her husband s After thirteen years of trying to give him a son she s told she s sterile Her marriage crumbles and her husband leaves her for a

younger woman who's pregnant with his child Anna finds her deceased aunt's journal and discovers her secret. When Anna was little she wanted to be just like her aunt but then she grew up and forgot what it was like to be adventurous and fearless. Having no idea who she is now that she can't be a wife and mother Anna shocks her family by setting out on a desperate search to find herself. She follows her aunt's journal to Mystic Valley, Vermont. Something about the place calls to her soul except she doesn't have a clue how to make it on her own. She falls into old habits and the welcoming supportive town comes to her rescue especially Officer Drew Jones who makes a living at helping others and longs to find someone to take care of even if that's the last thing Anna needs. He is the perfect man on paper. The complete opposite of cynical pessimist Editor in chief Clay Sullivan. Sully has no family and has been on his own since he was seventeen. He's worked all over the world seeing war poverty and real tragedy. He has no time for helpless pampered people like Anna gravitating more toward the new tough independent police Chief Tess Fitz who doesn't need anyone and is running from wounds of her own. Desperate to get back in the game she helps him with a past that has haunted him for years. Yet Sully can't get Anna off his mind refusing to coddle her and pushing her beyond her comfort zone until she surprises herself by discovering all she's capable of and just how strong she really is. She blossoms learning a lot about herself and where her passions lie taking care of others for a change. Sully isn't anything like what she thought she wanted yet he's exactly what she needs and he needs her even though he doesn't know it yet. Like Mystic Valley he calls to her soul. And like her namesake she finds the courage to go after what she wants only to discover a love like she never knew existed. Except in searching for the meaning of life she uncovers a valley of secrets that will threaten the new life she fought so hard to create. *Rainbow Valley* Lucy Maud Montgomery, 2024-03-07
