Sheeprearing And The Wool Trade In Italy During The Roman Period:

Sheep-rearing and the Wool Trade in Italy During the Roman Period Joan M. Frayn, 1984 For this study of sheep rearing in Roman Italy Dr Frayn presents and evaluates material from epigraphy law literature archaeology painting and sculpture to illuminate the social life of shepherd communities Throughout the ancient evidence for Italian practice is supplemented with comparative material from other ancient societies and where relevant from more modern farming experience

The Roman Empire Colin Michael Wells, 1995 This sweeping history of the Roman Empire from 44 BC to AD 235 has three purposes to describe what was happening in the central administration and in the entourage of the emperor to indicate how life went on in Italy and the provinces in the towns in the countryside and in the army camps and to show how these two different worlds impinged on each other Colin Wells's vivid account is now available in an up to date second edition

Production, Trade, and Connectivity in Pre-Roman Italy Jeremy Armstrong, Sheira Cohen, 2022-04-25 This book explores the complex relationship between production trade and connectivity in pre Roman Italy confronting established ideas about the connections between people objects and ideas and highlighting how social change and community formation are rooted in individual interactions The volume engages with and builds upon recent paradigm shifts in the archaeology and history of the ancient Mediterranean which have centred the social and economic processes that produce communities It utilises a series of case studies encompassing the production trade and movement of objects and people to explore new models for how production is organised and the recursive relationship which exists between the cultural and economic spheres of human society The contributions address issues of agency and production at multiple scales of analysis from larger theoretical discussions of trade and identity across different regions to context specific explorations of production techniques and the distribution of material culture across the Italian peninsula Production Trade and Connectivity in Pre Roman Italy is intended for students and scholars interested in the archaeology and history of pre Roman and early Republican Italy but especially production trade community formation and identity Those interested in issues of cultural interaction and material change in the ancient Mediterranean world will find useful comparative examples and methodological approaches throughout The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Making Textiles in pre-Roman and Roman Times Margarita Gleba, Judit Pásztkai-Szeőke, 2013-10-30 Textile production is an economic necessity that has confronted all societies in the past While most textiles were manufactured at a household level valued textiles were traded over long distances and these trade networks were influenced by raw material supply labour skills costs as well as by regional traditions This was true in the Mediterranean regions and Making Textiles in pre Roman and Roman times explores the abundant archaeological and written evidence to understand the typological and geographical diversity of textile commodities Beginning in the Iron Age the volume examines the foundations of the textile

trade in Italy and the emergence of specialist textile production in Austria the impact of new Roman markets on regional traditions and the role that gender played in the production of textiles Trade networks from far beyond the frontiers of the Empire are traced whilst the role of specialized merchants dealing in particular types of garment and the influence of Roman collegia on how textiles were produced and distributed are explored Of these collegia that of the fullers appears to have been particularly influential at a local level and how cloth was cleaned and treated is examined in detail using archaeological evidence from Pompeii and provincial contexts to understand the processes behind this area of the textile trade A Companion to Roman Italy Alison E. Cooley,2016-03-21 A Companion to Roman Italy investigates the impact of Rome in all its forms political cultural social and economic upon Italy's various regions as well as the extent to which unification occurred as Rome became the capital of Italy The collection presents new archaeological data relating to the sites of Roman Italy Contributions discuss new theories of how to understand cultural change in the Italian peninsula Combines detailed case studies of particular sites with wider ranging thematic chapters Leading contributors not only make accessible the most recent work on Roman Italy but also offer fresh insight on long standing debates The Grain Market in the Roman Empire Paul Erdkamp,2005-11-03 This book explores the economic social and political forces that shaped the grain market in the Roman Empire Examining studies on food supply and the grain market in pre industrial Europe it addresses questions of productivity division of labour market relations and market integration The social and political aspects of the Roman grain market are also considered Dr Erdkamp illustrates how entitlement to food in Roman society was dependent on relations with the emperor his representatives and the landowning aristocracy and local rulers controlling the towns and hinterlands He assesses the response of the Roman authorities to weaknesses in the grain market and looks at the implications of the failure of local harvests By examining the subject from a contemporary perspective this book will appeal not only to historians of ancient economies but to all concerned with the economy of grain markets a subject which still resonates today Empire of Pleasures Andrew Dalby,2002 An evocative survey of the sensory culture of the Roman Empire showing how the Romans themselves depicted their food wine and entertainments in literature and in art After the Past Willem Jongman,Marc Kleijwegt,2017-09-18 What was funny about ancient jokes and why Why did the Roman state legislate to curb the behaviour of its obscenely rich and powerful elite if it never really expected such laws to be obeyed Why did it oppress the poor and lavish public child support on them These are important questions but ancient Greeks and Romans could never have thought of them They never questioned the right of the rich to be rich They could not improve their understanding of Homeric gift giving with the experience of ritualized friendship among the Trobriand islanders Such questions and such answers can only come from those who live after the ancient past This volume honours the well known Dutch epigraphist and ancient historian H W Pleket Ten substantial essays reflect his wide range from early Greece to the Roman Empire and his taste for comparative economic and social history **Sagalassos V** Marc Waelkens,Lieven Loots,2000 In two volumes **Public**

Land in the Roman Republic Saskia T. Roselaar, 2010-07-22 In the first volume in this new series on Roman society and law Saskia T Roselaar traces the social and economic history of the ager publicus or public land identifying the developments in Roman economy and demography which led to a gradual process of privatization
