Shelleys Devils Notebook:

The Bodleian Shelley Manuscripts: Shelley's "Devils" notebook Percy Bysshe Shelley, 1986 **Shelley's "Devils" Notebook** Percy Bysshe Shelley, 1986 **The Bodleian Shelley Manuscripts: Shelley's "Devils" notebook : Bodleian MS. Shelly adds.e.9** Percy Bysshe Shelley, 1986 **Shelley's 1821-1822 Huntington Notebook** Percy Bysshe Shelley, 1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate **Coleridge and Shelley** Sally West, 2016-05-23 Sally West's timely study is the first book length exploration of Coleridge's influence on Shelley's poetic development Beginning with a discussion of Shelley's views on Coleridge as a man and as a poet West argues that there is a direct correlation between Shelley's desire for political and social transformation and the way in which he appropriates the language imagery and forms of Coleridge often transforming their original meaning through subtle readjustments of context and emphasis While she situates her work in relation to recent concepts of literary influence West is focused less on the psychology of the poets than on the poetry itself She explores how elements such as the development of imagery and the choice of poetic form often learnt from earlier poets are intimately related to poetic purpose Thus on one level her book explores how the second generation Romantic poets reacted to the beliefs and ideals of the first while on another it addresses the larger question of how poets become poets by returning the work of one writer to the literary context from which it developed Her book is essential reading for specialists in the Romantic period and for scholars interested in theories of poetic influence Shelley's Visual Imagination Nancy Moore Goslee, 2011-06-23 First full length study of Shelley's remarkable notebooks and the visual and textual imagination they reveal Percy Bysshe Shelley James Bieri, 2004 This volume ends after Shelley's important Swiss summer of 1816 with Byron A latter volume will cover Shelley's Italian years the circumstances of his death in 1822 and the subsequent lives of his intimates Jacket **The Devil's Party** Per Faxneld, Jesper Aagaard Petersen, 2013 Twelve scholars present cutting edge research from the emerging field of Satanism studies The topics covered range from early literary Satanists like Blake and Shelley to the Californian Church of Satan of the 1960s to the radical developments within the Satanic milieu in recent decades The book will be an invaluable resource for everyone interested in Satanism as a philosophical or religious position of alterity rather than as an imagined other The Unfamiliar Shelley Timothy Webb, 2016-12-05 Stimulated by new editions of Shelley's writings and the evidence of notebooks the editors have assembled an outstanding group of international Shelley scholars to work through the implications of recent advances in scholarship With particular attention to texts that have been neglected or underestimated the contributors consider many important aspects of Shelley's prolific and remarkably diverse output including the verse letter plays prose essays satire pamphlets political verse romance prefaces translations from the

Greek prose style artistic representations fragments and early writings Revaluations of Shelley s youthful works often criticized for their over exuberance pay dividends as they reveal Shelley s early maturation as a writer and also shed light on his later achievement Taken as a whole the collection makes evident that Shelley s reputation has been based largely on surprisingly imperfect and incomplete edited publications driven by Victorian taste and culture A writer very different from the one we thought we knew emerges from these essays which are sure to inspire more reappraisals of Shelley s work
