Forthcoming Books Rose Arny,1996-06 Lowside of the Road Barney Hoskyns,2010-05-11 With his trademark growl carnival madman persona haunting music and unforgettable lyrics Tom Waits is one of the most revered and critically acclaimed singer songwriters alive today After beginning his career on the margins of the 1970s Los Angeles rock scene Waits has spent the last thirty years carving out a place for himself among such greats as Bob Dylan and Neil Young Like them he is a chameleonic survivor who has achieved long term success while retaining cult credibility and outsider mystique But although his songs can seem deeply personal and somewhat autobiographical fans still know very little about the man himself Notoriously private Waits has consistently and deliberately blurred the line between fact and fiction public and private personas until it has become impossible to delineate between truth and self fabricated legend Lowside of the Road is the first serious biography to cut through the myths and make sense of the life and career of this beloved icon Barney Hoskyns has gained unprecedented access to Waits s inner circle and also draws on interviews he has done with Waits over the years Spanning his extraordinary forty year career from Closing Time to Orphans from his perilous jazzbo years in 1970s LA to such shape shifting albums as Swordfishtrombones and Rain Dogs to the Grammy Award winners of recent years this definitive biography charts Waits s life and art step by step album by album Barney Hoskyns has written a rock biography much like the subject himself unlike any other It is a unique take on one of rock s great enigmas **The Bossy Bridegroom** Mary Connealy,2011-12-01 A Truly Yours Digital Edition Michael is a fixer Michael Davidson knows the demise of his marriage was his fault and now as a new Christian he s determined to make things right But when he finds his wife he discovers she s given their child up for adoption And while she has new friends and seems to have made a life for herself Michael can t stand the way those people take advantage of her So he steps in to help Jeanie get it right Jeanie has spent the
