Humbly submitted to all Noblemen, Gentlemen and others ... By Nicholas No-Body, Esq* Nicholas NO-BODY (pseud.), 1758 *New York Magazine*, 1983-11-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Quarterly of the Oregon Historical Society* Oregon Historical Society, 1914 **The Irish Quarterly Review**, 1853 **The Lamp [ed. by T.E. Board of Indian Commissioners, 1879 [The Northwestern Reporter](#), 1913 **What the Woods Took** Courtney Gould, 2024-12-10 A visceral unflinching and emotionally powerful horror novel this is Gould at her most poignant and most electric Ava Reid 1 New York Times bestselling author of *A Study in Drowning* Yellowjackets meets *Girl Interrupted* when a group of troubled teens in a wilderness therapy program find themselves stranded in a forest full of monsters eager to take their place Devin Green wakes in the middle of the night to find two men in her bedroom No stranger to a fight she calls to her foster parents for help but it soon becomes clear this is a planned abduction one everyone but Devin signed up for She's shoved in a van and driven deep into the Idaho woods where she's dropped off with a cohort of equally confused teens Finally two camp counselors inform them that they've all been enrolled in an experimental therapy program If the campers can learn to change their self-destructive ways and survive a fifty days hike through the wilderness they'll come out the other side as better versions of themselves Or so the counselors say Devin is immediately determined to escape She's also determined to ignore Sheridan the cruel mouthed lavender haired bully who mocks every group exercise But there's something strange about these woods inhuman faces appearing between the trees visions of people who shouldn't be there flashing in the leaves and when the campers wake up to find both counselors missing therapy becomes the least of their problems Stranded and left to fend for themselves the teens quickly realize they'll have to trust each other if they want to survive But what lies in the woods

may not be as dangerous as what the campers are hiding from each other and if the monsters have their way no one will leave the woods alive Atmospheric and sharp What the Woods Took is a poignant story of transformation that explores the price of becoming someone or something new Unsettling raw and absolutely terrifying Gould tears open the tender angry heart of teenage friendship and what happens when our loved ones fail us Trang Thanh Tran New York Times bestselling author of *She is a Haunting* *One Wore Gray One Wore Blue* Highlander,2021-08-02 After beginning his life in western Virginia on the south side of the Ohio River Thomas Stonewall Jackson had no idea that one day he would wear gray while battling to defend his home state As Ulysses S Grant took his first breath in southern Ohio on the north side of the Ohio River he also did not know of the life that would eventually unfold for him as he donned blue and fought to save the Union In a collection of historical folktales inspired by an Appalachian grandmother s retelling of her own grandfather s stories of the American Civil War others are provided with a glimpse into the lives of Jackson and Grant from a different perspective While growing up on opposite sides of the Ohio River the folktales reveal how Jackson and Grant slowly transformed into military leaders who bravely guided their troops through a tumultuous time in American history *One Wore Gray One Wore Blue* shares a grandmother s retelling of the lives of two of the most significant generals of the Civil War who fought on opposite sides of the battlefield *Durango* Gary Hart,2012-06-01 With a contemporary Western flavor and plenty of intrigue and suspense Gary Hart s latest novel *Durango* brings readers into the world of the small southwest Colorado town as the close knit community is rocked by scandal and controversy As a drawn out battle for water rights looms over the town one of Durango s most eminent citizens stoic former politician Daniel Sheridan is implicated in a shocking transgression forcing him to clear his name and resolve the contention that has weighed upon his hometown for decades Drawing on the classic themes of loyalty honor redemption and the land *Durango* presents an unforgettable saga of the American west **Midori by Moonlight** Wendy Nelson Tokunaga,2025-09-23 Midori Saito s dream seems about to come true Too independent for Japanese society Midori is a young woman who has always felt like a stranger in her native land So when she falls in love with Kevin an American English teacher she readily agrees to leave home and start a new life with him in San Francisco as his fianc e Kevin seems to be the perfect man That is until he dumps her for his blonde ex fianc e whom Midori never even knew existed Midori is left on her own with just a smattering of fractured English not much cash and a fianc e visa set to expire in sixty days Unable to face the humiliation of telling her parents she s been jilted and not wanting to give up on her American Dream Midori realizes she s in for quite a challenge Her only hope is her new acquaintance and potential landlord Shinji a successful San Francisco graphic artist and amateur moon gazer who fled Japan after a family tragedy And eventually Midori surprises even herself as she proves she will do almost anything to hang on to her dream of a new life *Anecdote Lives of Wits and Humourists* John Timbs,2023-03-04 Reprint of the original first published in 1872 *Lives of Wits and Humourists* John Timbs,1862 *Fighting the Good Fight* Della Loreda,2015-12-22 Life as Stanley knew it was
