Buried Long, Long Ago #1 Anthony Cleveland,2025-04-16 Based on true events from 1901 1908 Belle Gunness lured dozens of lonely men to her Indiana farm and savagely murdered them for their money Because Belle managed to avoid capture and face trial much of this story remains untold Until now This is a fairy tale retelling of her brutal crimes from the perspective of her three young children who soon discover there is something far worse and far more evil than their mother on the farm Something Buried Long Long Ago **Once Upon a Time Long, Long Ago** Henry Shykoff,2001-03-15 How did we get to be US Who are WE This story set some 50 000 years ago when an almost explosive change in people s behaviour occurred addresses these questions *A Vocabulary of the Ancient Commentators on Aristotle* Richard D. McKirahan,2021-12-16 An astounding project of analysis on more than one hundred translations of ancient philosophical texts this index of words found in the Ancient Commentators on Aristotle series comprises some 114 000 entries It forms in effect a unique dictionary of philosophical terms from the post Hellenistic period through to late antiquity and will be an essential reference tool for any scholar working on the meaning of these ancient texts As traditional dictionaries have usually neglected to include translation examples from philosophical texts of this period scholars interested in how meanings of words vary across time and author have been ill served This index fills a huge gap therefore in the lexical analysis of ancient Greek and has application well beyond the reading of ancient philosophical commentaries Bringing together the full indexes from 110 of the volumes published in Bloomsbury s Ancient Commentators on Aristotle series McKirahan has combined each word entry and analysed how many times particular translations occur He presents his findings numerically so that each meaning in turn has a note as to the number of times it is used For meanings that are found between one and four times the volume details are also given so that readers may quickly and easily look up the texts themselves *First Fifty Years of Cazenovia Seminary, 1825-1875.
