

I love you because I know you're always there...  
there to catch me when I fall... there to listen  
when I need you, there when I feel alone. I love  
you because you understand me... you know how  
I feel even when I can't say it... you know I'm not  
as strong as I say and still you never let me know  
that I'm not fooling you. I love you because you  
make me believe, believe that I am not  
worthless... believe that I can be loved, am loved,  
and can love others. I love you because you  
know, you know I feel this way but can't say it  
and still you wait... letting me take my time to  
come to terms with the fact that I love you...  
would give my life up to be with you... and about  
all... never hurt you... lie to you... or leave you.  
Now I hope you understand.
