**"I Am Not Master of Events"** Larry Neal, 2012-01-24 Two of the greatest financial fiascos of all time took place at the same time and were instigated by two acquaintances the Mississippi Bubble on which John Law at first made a vast fortune and gained sway over French finances and the South Sea Bubble launched by Law and Thomas Pitt Jr Lord Londonderry his main partner in England This book tells the story of these two financial schemes from the letters and accounts of two leading personalities Larry Neal a distinguished economic historian highlights the rationality of each person and also finds that the primitive exchanges of the day though informal and completely unregulated actually performed reasonably well *Sermons Selected from the Works of the Rev. **Zondervan NIV Matthew Henry Commentary** Matthew Henry, 2010-09-21 Time has sealed the reputation of Matthew Henry s classic commentary as a rich source of insight into God s word Four centuries after its first publication it remains one of the best loved most popular commentaries ever written However while its wisdom is timeless the English language has changed much through the years Words that meant one thing in Matthew Henry s day have taken on different meanings today In addition Henry s often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns It delivers the heart and soul of Henry s incomparable writings in a style that is easy to read and understand Dr Leslie Church s meticulous abridgment retains the essential content of the original work Easily misunderstood words have been replaced with modern ones while keeping Henry s style Use of the New International Version NIV instead of the King James Version makes this edition fully compatible with today s most widely used Bible translation In one volume here is a wealth of exposition metaphors analogies and illustrations ideal for Personal devotions Bible study Sermon and lesson

Fifty years after its first publication this controversial and legendary book remains a riveting autobiography a book that can be painfully revealing about the complex convictions and needs of a complicated man as well as a fascinating and essential document of mid century American cultural life      *The Difficulties of Belief* Thomas Rawson Birks, 1855
