Long Term Care And Ethnicity:

Long-Term Care and Ethnicity Ada Mui, Namkee G. Choi, Abraham Monk, 1998-08-27 The first comprehensive analysis of ethnic racial differences in long term care needs and service use *The Culture of Long Term Care* J Neil Henderson, Maria D. Vesperi, 1995-08-30 This is the only collection of its kind to offer an inside view of life and work in contemporary nursing homes with the purpose of developing a theory of the culture of long term care The anthropological research in nursing homes presented here produces a seldom seen native view of patients staff and the day to day workings of American nursing homes The use of ethnographic methods penetrates the reality barriers found in industry descriptions muck raking discourse and general societal aversion toward nursing homes The tensions found between and within staff culture and patient culture are explored in terms of adaptations to institutional life in the context of current policy and the larger American ageist culture **Managing the Long-Term Care Facility** Rebecca Perley, 2025-03-05 Practical and compassionate approaches to providing quality care and safeguarding quality of life The second edition of *Managing the Long Term Care Facility Practical Approaches to Providing Quality Care* updates the first edition's discussion of the operational requirements necessary to manage a skilled nursing facility This book presents sensitive and empathic regulatory compliant methods for the delivery of care that fosters an empowering environment for all stakeholders Additional new information includes aging in place trauma informed care ethical dilemmas and collaborative decision making workforce culture and surveys enforcement actions and appeals The pedagogical tools include chapter summaries with quiz questions and case studies Instructors also have access to PowerPoint slides and test banks This book is an excellent resource for students and individuals interested in working in long term care and other health care industries The updated best practices for clinical and non clinical roles within the facility and material on resident advocacy and other important topics provide valuable information for the reader Working professionals can benefit from the emphasis placed on practical approaches to facilitate person centered and whole person care and a facility's sustainability **Long Term Care Services in the United States: 2013 Overview** National Center for Health Statistics, 2014-03 Long term care services include a broad range of services that meet the needs of frail older people and other adults with functional limitations Long Term care services provided by paid regulated providers are a significant component of personal health care spending in the United States This report presents descriptive results from the first wave of the National Study of Long Term Care Providers NSLTCP which was conducted by the Centers for Disease Control and Prevention's National Center for Health Statistics NCHS This report provides information on the supply organizational characteristics staffing and services offered by providers of long term care services and the demographic health and functional composition of users of these services Service users include residents of nursing homes and residential care communities patients of home health agencies and hospices and participants of adult day services centers Racial/ethnic Differences in Utilization of Long Term Care Services Among the Elderly Nadereh

Pourat,1995 **Vulnerable Populations in the Long Term Care Continuum** Paul R. Katz, MD,2003-11-17 Since publication of the last series volume focusing on emerging systems long term care has continued to evolve This present volume brings to the forefront issues related to populations of varying age groups that have been neglected or under reported The chapters focus on populations or groups of professionals that are integral to long term care as recipients of services or as care providers The authors present evidence to foster the creation of new paradigms of care and inform policy makers of the need for innovation Topics examined include Pediatric Skilled Nursing Facilities Mental Health Services Management of AIDS Patients Chronic Illness and Disability in the Prison Setting Sexuality in long Term Care Decision Making for Vulnerable Populations in the Nursing Home **Ethnicity and Dementias** Gwen Yeo,2014-04-04 A practical approach for professionals working with people suffering from dementias this book focuses on dementias including Alzheimer s disease from a multi cultural perspective Long-Term Care in an Aging Society Graham D. Rowles,Pamela B. Teaster,2015-08-13 This is a comprehensive graduate textbook focusing on the full spectrum of long term care settings ranging from family and community based care through supportive housing options to a variety of institutional long term care alternatives Integrating theory and practice the book features the perspectives of diverse fields regarding current long term care options and new directions for the future Prominent scholars from history environmental design family caregiving social service delivery clinical care health service delivery public policy finance law and ethics explore such themes as Relationships among independence dependence and interdependence Ethical considerations woven into the provision of long term care Decision making in long term care Fluidity in long term care The lived experience of long term care A micro macro perspective ranging from the individual to societal institutions The book examines future directions for long term care considering such factors as the interface of technology and long term care cultural diversity and relationships between voluntary and paid services Each chapter includes case examples study questions and exercises additional resources and website links An extensive glossary of terms is also provided as well as instructor s resources are also available Key Features Focuses on the full array of long term care options Integrates theory and practice Incorporates the perspectives of diverse fields including history environmental design family caregiving social services public policy etc Includes numerous case examples study questions exercises and additional resources Considers new approaches to long term care incorporating technology and considering cultural diversity and voluntary vs paid services About the Authors Graham D Rowles PhD is Founding Director of the Graduate Center for Gerontology and Chair of the Department of Gerontology University of Kentucky He is also Professor of Gerontology with joint appointments in Nursing Behavioral Science Geography and Health Behavior An environmental gerontologist his research focuses on the lived experience of aging A central theme of this work is exploration employing qualitative methodologies of the changing relationship between older adults and their environments with advancing age and the implications of this relationship for health wellbeing and environmental design He has conducted

in depth ethnographic research with elderly populations in urban inner city rural Appalachian and nursing facility environments Recent research includes leadership of the Kentucky Elder Readiness Initiative KERI a statewide project to explore the implications for communities of the aging of the Baby Boom cohort His publications include Prisoners of Space and six co edited volumes in addition to more than 60 book chapters and articles He is a Fellow of the Gerontological Society of America and the Association for Gerontology in Higher Education and currently serves on the editorial boards of the Journal of Applied Gerontology and Journal of Housing for the Elderly Dr Rowles is Past National President of Sigma Phi Omega Past President of the Southern Gerontological Society Past President of the Association for Gerontology in Higher Education and is currently Chair of the Commonwealth of Kentucky Institute on Aging Pamela B Teaster PhD is Associate Director for Research Center for Gerontology and Professor Department of Human Development Virginia Tech University She established the Kentucky Justice Center for Elders and Vulnerable Adults and is the first President of the Kentucky Guardianship Association Dr Teaster is Secretary General of the International Network for the Prevention of Elder Abuse She served as Director and Chairperson of the Graduate Center for Gerontology Department of Gerontology as well as the Director of Doctoral Studies and Associate Dean for Research for College of Public Health at the University of Kentucky Dr Teaster serves on the Editorial Board of the Journal of Elder Abuse and Neglect She is a Fellow of the Gerontological Society of America and the Association for Gerontology in Higher Education a recipient of the Rosalie Wolf Award for Research on Elder Abuse the Outstanding Affiliate Member Award Kentucky Guardianship Association and the Distinguished Educator Award Kentucky Association for Gerontology She has received funding from The Retirement Research Foundation Administration on Aging National Institute on Aging Kentucky Cabinet for Families and Children National Institute of Justice Centers for Disease Control National Institute of Occupational Safety and Health Health Resources and Services Administration and the Office of Victims of Crime She is the author of over 100 peer reviewed articles reports books and book chapters

Race, Socioeconomic Status, and Family Structure Kathleen A. Cagney, 1998 **Ethnic Elderly and Long-term Care** Charles M. Barresi, 1993 *Health Promotion in Long-Term Care Facilities* Kallol Kumar Bhattacharyya, 2025-06-11 This book discusses biopsychosocial barriers and facilitators of long term care services focusing on health promotional activities targeted to maximize quality of life This knowledge of meaningful activities helps to identify and improve strategies for supporting people living in long term care facilities with various chronic disorders at a deeper level Although no all encompassing theory of caregiving has yet been developed this book explores various theoretical formulations as central aspects of promoting health in long term care practices The current culture change in long term care controls the well being of the concerned person physically psychologically socially and economically In later life these issues profoundly impact individuals morbidity and lifespan Further it has been evidenced that the Centers for Medicare instead of clinical quality measures only it is influenced by residents their family members staff and administration Person centered

care not only requires a culture change in how residents and caregivers work together but it also requires facilities to ensure staff deliver care with the highest possible level of empathy and adopt meaningful care practices Among the topics covered in this contributed volume Are Quality of Care and Quality of Life Synonymous in Long Term Care Aging in Place or Long Term Care Changing the Narrative to Promote Aging in Place in Long Term Care Person Centered Care and Culture Change Movement in Long Term Care Extending the Age Friendly Movement to Long Term Care Potential of Health Promotional Practices in Long Term Care Health Promotion in Long Term Care Facilities is an essential resource for a diverse readership including academics and researchers in gerontology aging studies health management and policy health sciences nursing psychology social work and public health as well as caregivers and policymakers The book s academic value from a multidisciplinary perspective would be beneficial for students in the above mentioned fields Ethnic Elderly and Long-term Care Charles M. Barresi,1993 *Shortage of Health Care Professions Caring for the Elderly* ,1993 **Handbook on Ethnicity, Aging, and Mental Health** Deborah Padgett,1995-01-30 This state of the art multi disciplinary reference is the first to assess the empirical research and conceptual frameworks for understanding the mental health needs and services use of the ethnic elderly Leading scholars researchers and clinicians in gerontology epidemiology psychiatry psychology sociology anthropology nursing and social work appraise varying approaches the demographics the mental health status and service use of the ethnic elderly and issues in the diagnosis treatment and mental health service delivery for the ethnic aged for African Americans American Indians Asian and Pacific Islander Americans and Hispanic Latino Americans This unique handbook is a valuable resource and text for students teachers and professionals in a broad array of fields and settings The handbook considers such problems as Alzheimer s Disease depression and problems of coping culturally specific psychosocial nursing care programs the role of culture and class in mental and physical co morbidity among the elderly and important life course perspectives for specific groups Students teachers and professionals in many fields and settings will find this unique handbook a valuable resource and text **Fast Facts for the Long-Term Care Nurse** Charlotte Eliopoulos,2015-04 Print CourseSmart *Age Through Ethnic Lenses* Laura Katz Olson,2001 The book covers aged care for the following groups of elderly people Asians Chinese Japanese Vietnamese Latinos Mexicans Puerto Ricans Africans Native Americans religious groups Mormons Amish Jewish Arab Europeans Polish Irish Italian Greek gay and lesbian elderly rural elderly *Managing Quality and Safety in Long-Term Care* Darren Liu,Nicholas G. Castle,2024-11-23 Managing Quality and Safety in Long Term Care sets a precedent as the premier textbook for future leaders in long term care designed to provide them with the tools and evidence based strategies needed to successfully implement quality and safety protocols in senior living facilities Each chapter extensively reviews quality and safety issues in long term care and emphasizes what managers must know to both enhance quality and safety performance and retain a skilled long term care workforce Additionally the text highlights the key performance indicators that future long term care leaders can apply to better react to the quickly evolving issues they will

encounter in practice Detailed case studies throughout the book provide examples from effective and ineffective facilities and specific challenges for improving or maintaining best practices The text innovatively explores the root causes of quality and safety issues in long term care integrating cutting edge evidence based research in practical applications It distills these insights into actionable recommendations aimed at helping healthcare administrators and professionals improve quality and safety in long term care through their decision making strategic planning data gathering and forecasting Chapters contain important learning objectives take home points tools for further learning and real world examples Managing Quality and Safety in Long Term Care imparts the science and art of managing quality and safety in senior living facilities critical for students in long term care administration healthcare administration and management gerontology public health and related fields Additionally it serves as a crucial resource for anyone seeking licensure from the National Board of Long term Care Administrators the NAB Key Features Provides evidence based information that can be applied to day to day management activities to effectively address disparities in long term care Written and reviewed by leading experts in the long term care field and licensed long term care administrators Includes insightful case studies that encourage students to assess effective and ineffective quality and safety practices in long term care facilities Features practical and engaging discussion questions in each chapter Highlights key innovations including technological advancements shaping the landscape of the long term care industry Qualified instructors have access to expanded Instructor Resources which include chapter PowerPoints a Test bank an Instructor Manual with learning activities and discussion questions for each chapter a Sample Syllabus and additional resources to supplement students dynamic learning and interaction with the text

Changing the U.S. Health Care System Ronald M. Andersen, Thomas H. Rice, Gerald F. Kominski, 2002-02-28 Explore in depth the possibilities for public health and policy reform The second edition of Changing the U S Health Care System is a thoroughly revised and updated compendium of the most current thought on three key components of health care policy improving access controlling costs and ensuring quality Written by a stellar panel of experts in the field of health care policy this second edition highlights the most recent research relevant to health policy issues This valuable resource also includes analyses of current health care policy challenges and presents a wide range of viable solutions In addition the book contains an overview of the opportunities in the growing fields of public health and health policy

Ethnicity and Old Age Sandra Torres, 2020-09-16 Winner of the Richard Kalish Innovative Publication Award 2021 Part of the Ageing in a Global Context series this book proposes a new research agenda for scholarship that focuses on ethnicity race and old age It argues that in a time of increased international migration population ageing and ethno cultural diversity scholarly imagination must be expanded as current research frameworks are becoming obsolete By bringing attention to the way that ethnicity and race have been addressed in research on ageing and old age with a focus on health inequalities health and social care intergenerational relationships and caregiving the book proposes how research can be developed in an ethnicity astute and

diversity informed manner Handbook of Minority Aging Tamara A. Baker, Keith E. Whitfield, 2014 The array of topics covered is amazing making this book a valuable significant resource for many disciplines This multidisciplinary review of the literature on minority aging presents the scholarship related to public health and social behavioral and biological concerns of aged minorities like no other publication Graduate students will certainly be well served by this book as would faculty teaching aging at both undergraduate and graduate levels Highly recommended Choice Current Reviews for Academic Libraries while practitioners of gerontology family medicine and any professional involved in the care of the elderly will find some practical guidance in the second part of the book it will really earn a place on the bookshelf of anyone and everyone with an interest in US sociology and the development of public policy for the elderly With the general aging of the population and the book s accentuation of current issues this outstanding review will become an indispensable tool Healthy Aging Research This text provides up to date multidisciplinary and comprehensive information about aging among diverse racial and ethnic populations in the United States It is the only book to focus on paramount public health issues as they relate to older minority Americans and addresses social behavioral and biological concerns for this population The text distills the most important advances in the science of minority aging and incorporates the evidence of scholars in gerontology anthropology psychology public health sociology social work biology medicine and nursing Additionally the book incorporates the work of both established and emerging scholars to provide the broadest possible knowledge base on the needs of and concerns for this rapidly growing population Chapters focus on subject areas that are recognized as being critical in understanding the well being of minority elders These include sociology Medicare SES work and retirement social networks context neighborhood ethnography gender demographics psychology cognition stress mental health personality sexuality religion neuroscience discrimination medicine nursing public health mortality and morbidity disability health disparities long term care genetics dietary issues health interventions physical functioning social work caregiving housing social services end of life care and many other topics The book focuses on the needs of four major ethnic groups Asian Pacific Islander Hispanic Latino African American and Native American Key Features Provides current comprehensive information about minority aging through a multidisciplinary lens Integrates information from scholars in gerontology anthropology psychology public health sociology social work biology medicine and nursing Emphasizes the principal public health issues concerning minority elders Offers one stop shopping regarding the development of a substantial knowledge base about minority aging Includes recent progressive research pertaining to the social cultural psychological and health needs of elderly minority adults in the US
