Look Around Rain Forests:

Rainforests Nancy F. Castaldo, 2003-06-01 North America boasts a surprising number of rainforests including El Yunque National Forest in Puerto Rico Olympic National Forest in Washington State Chugach and Tongass National Forests in Alaska and the forests in Hawaii which are home to an enormous variety of plants and animals Rainforests An Activity Guide takes kids through the common layers of the rainforest from the forest floor to above the enclosed canopy Their journey continues through the different types of rainforests as they are introduced to plants animals and people around the world including those from the temperate rainforests of North America to the tropical rainforests of Southeast Asia Africa and South America Rainforest inspired activities include making a West African yam festival gourd rattle building a model of an Alaskan totem pole and creating a Japanese Wayang kulit or shadow puppet Kids are encouraged to make a difference and become active supporters of the rainforests no matter where they live Channing O'Banning and the Rainforest Rescue Angela Spady, 2015-05-05 What Happens When Your Least Favorite Person Is Your Only Hope for Rescue When Channing O Banning s BFF goes gaga over new boy Marco Channing wishes she could send him back to where he came from Her wish turns into her worst nightmare when Marco tags along on her family s dream trip to Marco s home country of Costa Rica With her secret sketchbook in tow a colored pencil stuck in her ponytail and adorable pot bellied pig Teeny by her side Channing embarks on a high flying adventure through the Costa Rican rainforest But when the feisty fourth grade artist makes a few wrong turns and gets lost in the jungle she discovers that maybe Marco isn t so bad after all Through her wild escapades Channing learns just how important it is to keep the earth and friendships healthy *Rain Forest Project* Demetrius Thompson, 2005-08 Lies greed and uncontrollable desires wage war in this forest enchantment Richard s envision arouses hefty wages in his promising project However the cutting of the rain forest isn t going to be easy when the indigenous tribes call it home Ancient rituals are performed and spirits called upon that will awaken a force of nature never felt before by modern man When Richard s crew begins mysteriously disappearing he amazingly ignores and decides to continue his project at whatever the cost This lures many cruel and mischievous souls which leaves two questions begged to be answered Will Richard escape the pursuit of the law Or Will he and his colleagues survive the wrath of the rain forest *Case Studies in Educational Psychology* Patricia P. Willems, Alyssa R. Gonzalez-DeHass, 2017-12-06 This case study book serves as a valuable tool for professors and instructors of educational psychology It contains 18 cases that represent current areas of interest in Educational Psychology embedded within current challenges that teachers face in today s elementary grade classrooms The cases are organized into six major parts Human Development Individual Differences and Diversity Learning Theories Motivation Classroom Management Instructional Approaches and Assessment and Evaluation Each case describes a detailed teaching scenario written from either the student or the teachers perspective To engage students in critical thinking perspective taking analysis problem solving and decision making the cases have been intentionally written without a

conclusion Because the cases are open ended it allows the professor or instructor more flexibility and autonomy in how they use the cases Each case is followed by thought provoking questions highlighting the significant issues in the case from which to analyze the case and apply various theoretical viewpoints While the cases do not replace actual classroom experience they present a way to immerse students in the classroom s culture by providing them with real life teaching examples 100
