Women Creating Classics Emily Hauser, Helena Taylor, 2025-06-12 From Madeline Miller's *The Song of Achilles* (2011) to Pat Barker's *The Voyage Home* (2024), there has been a huge rise in women's rewritings of ancient myths and texts in recent years. Women writers are looking back to the classical past more than ever before, and there is serious public interest in women's reworkings of the ancient world. But at the same time, this is nothing new: women have been responding to the worlds of Greece and Rome for hundreds of years across many different time periods and multiple cultures and languages. This first

volume in a two volume set explores the different ways that women have retold and responded to Classics across the ages as well as how these responses might resist or unpack the tensions inherent in notions of gender race canonicity class and cultural heritage in a context in which classical education and scholarship have been confined to the ivory tower studied by men in pursuit of an understanding of the great men of history Looking at extraordinary women writers across thousands of years from Sappho Marguerite de Navarre Lucrezia Marinella and Ren e Vivien to Tayari Jones Roz Kaveney Zadie Smith and Anne Carson from ancient Greece to the Venezuelan diaspora this volume demonstrates the urgency and the centrality of women s creations in the world of Classics **Unlocking Literacy** Robert Fisher,Mary Williams,2013-05-13 An edited

collection describing key issues in supporting literacy development this book helps to unlock the mysteries behind helping children learn to read write speak and listen It explores ways to help children develop their skills in literacy thinking and learning and shows how literacy teaching can be used creatively and imaginatively with children of all ages and abilities The new edition of this well known text reflects the importance of creativity and the new Primary Strategy offers approaches to teaching literacy that accord with and beyond the literacy hour includes coverage of the Foundation Stage curriculum in every chapter covers the inclusion agenda and supporting EAL pupils highlights the importance of popular culture and visual literacy in children s lives Interweaving pedagogy with theory and practical suggestions this book is firmly based in classroom and academic research to support both trainee and practising teacher in the realities of teaching and learning in literacy **A Library of American Literature: Literature of the republic, pt. 4, 1861-1888 (continued) Additional**
