 Burningham delivers a profound and urgent exploration of what it truly means to be human in the age of AI challenging us to
 embrace wisdom love and deep human connection as we navigate an uncertain future alongside machines A refreshingly
 optimistic look at the possibilities of human AI interaction Kirkus Reviews What does it mean to be human At a time when AI
 is rapidly changing the way we live work and think this may be the biggest question we face In The Last Book Written by a
 Human tech entrepreneur and investor Jeff Burningham wrestles with the fundamental questions of existence the future role
 of artificial intelligence in society and the increasingly complex union between humanity and its creations With raw honesty
 Burningham shares his personal story from Mormon missionary and Bishop to successful entrepreneur to his gubernatorial
 run and beyond offering reflections on our otherworldly potential and uncertain future in the age of AI His call to action is
 clear As machines become smarter we must become wiser You will discover How the rise of AI is forcing humanity to
 confront fundamental questions about consciousness intelligence and what it means to be truly human Why the development
 of AI must be guided by love wisdom and compassion How to navigate relationships in the future ensuring we maintain
 genuine human connection alongside increasingly synthetic ones The importance of reforming institutions religious
 governmental and business to support human flourishing The cosmic necessity of mastering your life as a human being
 rather than a human doing This book is a wake up call for our species to evolve beyond our unconscious patterns false beliefs
