Logan Emmett Herlihy, 2019-01-27 How 2 Look Good Naked was created after a decade long search to find the best way to exercise efficiently effectively and with results worth talking about For the longest time I was indoctrinated with the idea that more exercise equals better exercise and as I've found through my journey in the last two years this is absolutely not the case This book is a beginners approach the one I took to the field of evidence based exercise Hopefully to be used as a tool to get readers more interested in the field of Evidence Based Exercise sometimes called High Intensity Training or at the very least to help people convinced they don't have the time to get results from less than an hour of training per week The diet portion of this book is a blend of my own personal experience with the Ketogenic Diet What has worked for me and been extremely effective and the parts that didn't serve me My hope is with both the exercise and diet portion of this book people will find something different they've never experienced before More than following my plan to the letter I hope it invigorates readers through some success to inquire what else could work for them and to pursue that I don't proclaim to know anything or even very much but I hope this book offers readers an opportunity to get interested in their own health and to become experts of their own bodies I wish everyone who reads this the best of luck on their own fitness journey and I hope if anything I can just help along the way Do You Want to Look Good Naked? Naked Exhibitionism Claire Nally, Angela Smith, 2013-03-19 What does it mean to be naked in public Approaching this question from across the disciplines this book examines the evolution of female exhibitionism from criminal taboo to prime time entertainment Taking an interdisciplinary approach which brings together all fields of popular culture including literature media film and linguistics Claire Nally and Angela Smith offer an examination of gendered exhibitionism from the mid twentieth century to the present day They ask whether bodily exposure provides the liberation it professes to or restricts our most secret selves to the sanitised realm of socially sanctioned gender roles From the art of burlesque as a riotous kingdom of the imagination to reality TV which helps women to unearth their true and buried feminine selves Nally and Smith explore how the critical history and theory of exhibitionism intersects with the wider movement towards gender equality Examining effects of second wave feminism to problematise the naked female form female and gender transgressive performers from Bette Davis to Dita von Teese are placed in their cultural context In order to demonstrate that female exhibitionism remains at the heart of popular culture this book also examines the works of Peter Ackroyd and the controversial playwright Sarah Kane uncovering the contradictions behind evolving representations of public exposure Within a post feminist framework the cultural constructions behind the repackaging of female exhibitionism are explored and the prominence of bodily exposure in popular culture examined along with the implications of those artists who perform gender as a public masquerade Finally hit TV shows *Ladette to Lady* and *How to Look Good Naked* are interrogated to expose the buried contradictions behind this public unveiling are women seizing control of their own identity or is this revelation an illusion Innovative unflinching and pertinent *Naked Exhibitionism* explores naked bodies in the public gaze and critically reformulates the feminist and cultural debate around the performance of gender *Transforming Images* Rebecca Coleman, 2015-01-28 Contemporary social and cultural life is increasingly organised around a logic of self transformation where changing the body is seen as key *Transforming Images* examines how the future functions within this transformative logic to indicate the potential of a materially better time The book explores the crucial role that images have in organising an

imperative for transformation and in making possible or not the materialisation of a better future Coleman asks the questions which futures are appealing and to whom How do images tap into and reproduce wider social and cultural processes of inequality Drawing on the recent turns to affect and emotion and to understanding life in terms of vitality intensity and liveness in social and cultural theory the book develops a framework for understanding images as felt and lived out Analysing different screens across popular culture the screens of shopping makeover television programmes online dieting plans and government health campaigns it traces how images of self transformation bring the future into the present and affectively draw in some bodies more than others Transforming Images will be of interest to students and scholars working in sociology media studies cultural studies and gender studies

Mr. Funny Pants Michael Showalter, 2011-02-22 The writer and star of The State Wet Hot American Summer The Baxter and Michael Michael Have Issues brings readers his uniquely absurd humor in his hilarious first book I was at my wit's end I'd had enough of this job this life and my relationship had broken up Should I eat chocolate or go to India or fall in love Then I had a revelation Why not do all three in that order And so it was that I embarked on a journey that was segmented into three parts and was then made into a major motion picture Later I woke up on an airplane with a hole in my face and a really bad hangover I was ushered brusquely off the plane by my parents who took me to a rehab where I tested positive for coke classic coke special k the drug Special K the cereal mushrooms pepperoni and Restless Leg Syndrome It was there that I first began painting with my feet But rewind the year was 1914 I was just a young German soldier serving in the trenches while simultaneously trying to destroy an evil ring with some help from an elf a troll and a giant sorcerer all while cooking every recipe out of a Julia Child cookbook What I'm trying to say is that there was a secret code hidden in a painting and I was looking for it with this girl who had a tattoo of a dragon Let me clarify it was the 1930s and a bunch of us were migrating out of Oklahoma and I was this teenage wizard CIA operative okay And um then I floated off into the meta verse as a ball of invisible energy that had no outer edge Ugh okay None of this is true I'm just kind of a normal guy from New Jersey who moved to New York got into comedy wrote this book about trying to write this book and then moved to Alaska became the mayor of a small town spent 30 000 on underwear and now I'm going to rule the world

The Naked Christ Dan Le, 2012-08-22 The cross of Christ is undeniably central to the Christian faith But how can the cruelty and brutality of a two thousand year old Roman cross touch base with a hedonistic world that has been so desensitized towards violence Within the postmodern setting of a body obsessed culture Christianity urgently requires an innovative and stimulating way of understanding the cross and its atoning significance At the heart of this book is the Naked Christ an emblem through which the author draws on the rich resources of the Christian tradition in its portrayal of the cross He explores how the metaphors of nakedness and clothing can encapsulate aspects of atonement and enable them to be understood within a variety of contemporary contexts The Naked Christ is a useful resource for anyone seeking fresh ways to express what the cross of Christ means to contemporary culture
