Looking at Henry Moore's Elephant Skull Etchings in Jerusalem During the War. Poetry: Shirley Kaufman. Etchings: Henry Moore Shirley Kaufman, 1977 Roots in the Air Nadežda Rumjanceva, 2015 Anglophone Israeli Literature has co existed with the Hebrew writing tradition in Israel since the 1970s Consisting mainly of immigrants from Anglophone countries it is characterized by a search for personal and poetic identity in a highly transcultural environment challenging settled identities and opting instead for flexibility A Book of Women Poets from Antiquity to Now Alik Barnstone, Willis Barnstone, 1992-04-28 A monument to the literary genius of women throughout the ages A Book of Women Poets from Antiquity to Now is an invaluable collection Here in one volume are the works of three hundred poets from six different continents and four millennia This revised edition includes a newly expanded section of American poets from the colonial era to the present A splendid collection of verse by women TIME throughout the ages and around the world now revised and expanded with 38 American poets The Children in Our Lives Jane Adan, 1991-01-01 I was born at midnight That means I can see ghosts when they want to be invisible writes fourth grader David demonstrating a child s capacity for making sense of personal experience The Children in Our Lives explores this capacity as well as how adult misperceptions of children s experiences affect those children It invites dialogue between teachers parents other caregivers and the general public who value children for their own sakes Adan looks for disparities between a child s experience and the adult s interpretation of that experience In questioning middle class nurturance she focuses on connections between experience and interpretation based on dominant traditional or mainstream values She argues that force of habit as well as a preoccupation with public image predisposes adults to embrace the abstractions that distort perception Consequently children are impaired as adults are in their ability to generate communities that are grounded in a creative concern for all human beings **Henry Moore Bibliography: Index 1898-1991, Concordance. Together with a selection of monographs, and a checklist of Henry Moore's library with a commentary**, 1992 *Ezekiel's Wheels* Shirley Kaufman, 2009 Progressive passionate and unfailingly feminist Kaufman is a breathtakingly fine poet The Nation If someone is going to be exalted as a representative voice of Jewish or Israeli life in contemporary American poetry one couldn t ask for a more insightful or mature writer to assume such an impossible role The Jerusalem Post Kaufman approaches Jerusalem s bitter memories contested histories and joyous unfoldings with a wary love Publishers Weekly Shirley Kaufman utilizes enigmatic symbolism from the Book of Ezekiel as she writes into the themes of exile and emigration that have marked her work since she moved to Israel thirty six years ago Her new poems attempt to bring meaning to an irrational world the unrelenting passage of human life the risks of artistic endeavoring and the artist s struggle with the loss of sight and memory After nearly four decades of writing and publishing Kaufman maintains a lightness of touch even while her poetry takes on an increased awareness of danger and urgency I don t

want to look back but can't see ahead from where I am now and now is whatever I didn't do yesterday Not what I live in Now is the fear there won't be anything after now Shirley Kaufman was born in Seattle lived in San Francisco and immigrated to Jerusalem in 1973 Eight volumes of her award winning poetry have been published in the United States three by Copper Canyon Press She lives in Jerusalem Israel **International Who's Who in Poetry 2005** Europa Publications, 2004-08-02 The 13th edition of the International Who's Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King's Queen's Gold medal and other poetry prizes *Contemporary American Poetry* Lloyd M.
