Authentically Jewish Stuart Z. Charmé, 2022-08-12 This book analyzes the different conceptions of authenticity that are behind conflicts over who and what should be recognized as authentically Jewish Although the concept of authenticity has been around for several centuries it became a central focus for Jews since existentialist Jean Paul Sartre raised the question in the 1940s Building on the work of Sartre later Jewish thinkers philosophers anthropologists and cultural theorists the book offers a model of Jewish authenticity that seeks to balance history and tradition creative freedom and innovation and the importance of recognition among different groups within an increasingly multicultural Jewish community Author Stuart Z Charm explores how debates over authenticity and struggles for recognition are a key to understanding a wide range of controversies between Orthodox and liberal Jews Zionist and diaspora Jews white Jews and Jews of color as well as the status of intermarried and messianic Jews and the impact of Jewish genetics In addition it discusses how and when various cultural practices and traditions such as klezmer music Israeli folk dance Jewish yoga and meditation and others are recognized as authentically Jewish or not

Colonialism and the Jews in German History Stefan Vogt,2022-06-16 Colonialism and the Jews in German History

brings together new and path breaking studies on the historical relationship between colonialism and the Jews in Germany. The book considers the mutual influences on the situation of the Jews in Germany including attitudes towards Jews and anti-Semitism but also Jewish self conceptions and the ideology and politics of German colonialism. The contributors discuss the ways in which colonial ideology and practice have affected the position of the Jews in Germany and the relationship between anti-Semitism and colonial racism. In doing so the volume introduces German colonialism as a relevant context for German Jewish history and it expands the perspective on German colonial history significantly by considering Jews both as distinct objects and also as agents within the field of German colonialism. The volume includes studies on the pre colonial era the phase of active German colonialism since the 1880s and the time after Germany lost its colonies in the First World War. All these studies testify to the fact that German Jewish history takes on additional significance if seen as part of a global history of collective relationships.

Am I a Jew? Theodore Ross, 2012-08-30 What makes someone Jewish? Theodore Ross was nine years old when he moved with his mother from New York City to the Mississippi Gulf Coast. Once there his mother decided for both personal and spiritual reasons to have her family pretend not to be Jewish. He went to an Episcopal school where he studied the New Testament sang in the choir and even took Communion. Later as an adult he wondered Am I still Jewish? Seeking an answer Ross traveled around the country and to Israel visiting a wide variety of Jewish communities. From Crypto Jews in New Mexico and secluded ultra devout Orthodox towns in upstate New York to a rare Classical Reform congregation in Kansas City Ross tries to understand himself by experiencing the diversity of Judaism. Quirky and self aware introspective and impassioned Am I a Jew is a story about the universal struggle to define a relationship or lack thereof with religion.
