Love Thy Neighbor When A Spirit Of Religion Opposes The Heart Of God:

Love Thy Neighbor...? Aaron D Davis,2005-04 In John 17 20 21 Jesus prayed My prayer for all of them is that they will be one just as you and I are one Father that just as you are in me and I am in you so they will be in us and the world will believe you sent me NLT The Christian church continues to find points of contingency by which they justify their divisions Many do not realize that it is not the Spirit of God under which they operate but a subtle counterfeit named Religion The Spirit of Religion has been the greatest opposition of the Christian Church since its inception It was the religious leaders of Jesus day who were influenced by this spirit and continually sought to discredit Christ and his teachings Those who were bound by this spirit sought to silence Christ and eventually found cause to kill Him This same spirit at work today continues to cause division among Christians as well as between Christians and non Christians This book has been written to expose the evil influence that Satan has had upon the Christian church under the guise of religion and to release those who have been bound by religions chains by establishing a true relationship with God Issues addressed in this book include What is the Spirit of Religion What is the difference between church doctrine and sin Why do Christians judge What does it mean to be ye separate What does the Bible say about those who are Tattooed or Pierced What is the difference between having a religion and experiencing a relationship with God and much more

Intended to help preachers prepare sermons, the commentary series is essentially biblical and evangelical catholic. This 19th century commentary has served as a standard reference for more than a century. Many early reviewers regarded Schaff's edition with his additional material as superior to the original. It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers. It contains critical annotations of the text and its translation and a threefold commentary: exegetical, doctrinal, and homiletical. Under these three heads, the text is viewed from every aspect.
