Harley, Jr., Joyce S. Harley, 2011-10-01 Nothing brings a couple closer quite like sharing a regular devotional time Now Willard F Harley Jr the bestselling author of *His Needs Her Needs* joins forces with his wife Joyce to bring readers devotions to help them increase their intimacy with God and each other The 36 chapters are each divided into five brief sections and explore Harley's proven marriage principles in connection with God's Word Each devotion begins with a story and includes a brief meditation a relevant Scripture passage and application questions to help make the principles a reality Perfect for newlyweds as well as those who have been married for decades this devotional promises to help readers connect with their spouse build a stronger marriage and keep God at the center of their commitment to each other **Honoring God with Body and Mind** Steven D. Hoogerwerf, 2019-11-13 Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture Does the Christian tradition provide us with a way to think about and act on our natural God given sexual desires *Honoring God with Body and Mind* invites readers to consider these questions and some ways of answering them by guiding them into a conversational style of moral reflection Unlike many

books about Christians and sex this one doesn't simply tell you what to do or not to do. Instead you will be led to think about how the meaning of sex can provide sexual boundaries but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision making. Informed by many years of conversations with college students the author also invites you to think about practical questions such as these: Can men and women be friends without the complications of sexual attraction? If I haven't always included Christian values in my sexual practices and carry some painful memories and regrets is there any hope of healing? What is lust? Is masturbation sinful? Can virginity be reclaimed?

The Never Ending Life Anum Abdullah, 2018-02-22 The Never Ending Life is an exploration of the twist between the brutal realities of life along with the fictitious happy ever afters that we all long for. A real story about all the different ingredients that when mixed together create the unique blend which is what we call life. Each chapter in this book is one that we go through at the different stages and stops in our journey. Each chapter in our lives adds to our story and contributes towards the individual we turn into. Each story explores the powerful emotions that human beings have the ability to experience and analyses them in a way that touches the heart and brain.

Designed for Joy Owen Strachan, Jonathan Parnell, 2015-07-15 Male and female he created them. Genesis 1:27. It's one of the most important and controversial topics of our time. God created men and women in his image, equal in value and complementary in roles. These distinctive roles are not the vestiges of a bygone era but integral to God's timeless good design for humanity. Designed for Joy includes fresh contributions from fourteen young leaders casting a unified vision for Christian manhood and womanhood. Whether discussing the significance of gender, the truth about masculinity and femininity, the blessing of purity or the challenge of raising children in a confusing world, this practical resource challenges us to embrace God's good design for his glory and our joy.

You need changed expectations, you need radical commitments, and most importantly, you need grace.

Never Meant to Be Alone Justin Hendrix, 2024-12-27 We tend to think of singleness as simply the absence of marriage. We think its value comes from the freedom that entails. Yet

singleness is not empty We perceive it as such because we struggle to articulate its real worth Singleness and marriage are complements not opposites Both point toward union with God in Christ They rest on the same promises and they participate in the same reality There are distinct elements of God s character and purposes that are revealed in singleness just as there are in marriage The goal of this book is to see his beauty more clearly from the vantage that singleness offers Religion in Life and Society Michael Keene,2002-08-31 This textbook covers the GCSE Religious Studies course for EDEXCEL A Religion in Life and Religion in Society HEAD AND HEART Charles RedCloud and Averella Gerren,2014-08-15 **Marriage Matters** Janice Crouse,2017-07-05 In Marriage Matters Janice Shaw Crouse argues that marriage is a critical element in a free society and that society s most vulnerable communities especially minorities and the poor suffer the most from the nation s retreat from marriage Crouse writes that marriage advances the public interest and we should create laws and policies that support rather than undermine it She demonstrates both the public and private importance of marriage and organizes her argument in a thoughtful and logical manner Compared to other household arrangements Crouse observes marriage is by far the best for raising children and offers financial advantages as well Writing about bullying Crouse shows how the trend away from marriage has lead to poor child rearing and to some of the nation s worst contemporary problems In household arrangements with an absence of traditional fathers the government has in some ways overtaken this role by creating social programs such as food stamps Social Security and Medicare Social programs are but a small part of an effective solution The groundwork for strong marriages and lasting relationships is examined in detail Crouse then discusses the role of sex in marriages and the harmful influence of casual sex The second half of the work shows how marriage matters to individuals specifically to women and children and depicts same sex marriage as a threat to the institution Other public policy issues affecting marriage are also explored **Marriage Restored** , **Forthcoming Books** Rose Arny,2002

Nike and Rosemarie Sometimes things are meant to be a little backwards... Jasmine Marie and Krystal Jo-Lynnelle,

Marriage Is a Bad Habit Ruth Dickson,2014-04-01 When Ruth Dickson released her 1967 book Married Men Make the Best Lovers it went off like a bombshell Defenders of the sanctity of marriage rose up to dismiss her frank innovative thoroughly researched book But why Why cling to the broken ritual of marriage What comfort is there in a crumbling institution held together by meaningless tradition and out of touch patriarchy In this thoughtful follow up Dickson examines marriage itself As she explains It s no secret that the divorce rate is reaching astronomical proportions yet nobody seems to do anything about the sole cause of divorce marriage Expertly weaving historical research personal anecdotes and scalpel sharp philosophy Marriage Is a Bad Habit makes the case that a life without marriage is a life of freedom a woman s freedom from male dominance and abuse a man s freedom from female resentment and martyrdom In this new world it s time for the sexes to find a new way of living together Or more specifically a new way to live apart Sexier than Helen Gurley Brown wittier than Xaviera Hollander Ruth Dickson tells the truth makes you laugh gives you innovative ideas and thoughtful advice
