*The Touch* Aurore Leigh Barrett,2013-10-09 Fear Not my dear Fear not of me Fear Not for fear shall not help thee The time is short my plans are made Your casket shall be trimmed with jade Thus begins Aurore Leigh Barretts poem Fear Not an homage to one of her favorite poets Edgar Allan Poe It

masterfully combines the macabre with the humorous This stellar work which Poe no doubt would wish he had written is just one of a few poems in this current collection written in his honor and one of many poems you will find that ably represent Barretts enormous talent This collection of poems and stories by Aurore Leigh Barrett invites you to step into the world of this creative artist and sample the breadth and depth of her literary world Rather than being an exhaustive representation of a solitary style or mood this book is a buffet of delights as it takes you from the lows of her loneliness to the heights of her happiness from the dark and scary side of her imagination to the forthright and intelligent adventures of her alter ego Holly Hedges Whistler Through it all we share in her view of the world and the way she makes the most of every day this life has to offer In Stardust Barrett tells how she begins each day throwing a spoonful of stardust into the wind The Stardust flies the light sparkles the grass begins to twinkle as the blades catch each falling star and the flowers bow their heads as if to receive this glistening gift As Barrett lays bare her feelings she tells us that writing is a beautiful sweet torture of the soul She tells us that writing is the pain of pulling away precious bits of memory or time It is the quickening of birth within the loins of creation It is the delicious ecstasy of desire that only I can satisfy Welcome to her world This all too brief collection of Aurore Leigh Barretts writing will leave you hungry for more **Heaven Sent & His Hometown Girl** Jillian Hart,2008-04-01
