**Love Thy Neighbor** Debbie Macomber,2025-04-28 From 1 New York Times bestselling author Debbie Macomber comes a classic story of love found where it s least expected right next door For weeks Lesley Brown had been counting down the days curious and excited about the arrival of her new neighbor With their duplex being the only house for miles she couldn t help but hope the new tenant would be a friend But when she met Cole Daniels hope turned into something far more complicated Cole was everything she didn t expect sharp tongued standoffish infuriatingly cryptic And yet there was something about him that Lesley couldn t ignore Maybe it was the way he came to her rescue then frustratingly shut her out again Or maybe it was the secrets he so carefully guarded secrets that practically begged to be unraveled Was Cole running from something or simply keeping the world and Lesley at arm s length As their lives became increasingly tangled she began to wonder would the truth bring them closer or drive an unsurmountable wedge between them **LOVE THY NEIGHBOR?**

Christe Dailey-Arceneaux,2023-08-04 Love Thy Neighbor is not only the second greatest commandment given to us by Jesus in the Book of Matthew but it is also a great rule to live by especially when you don t realize exactly who strangers may turn out to be God is constantly testing our faith through situations as well as the people who cross our paths There are no coincidences with God He knows what He is doing He also taught us through the Beatitudes that whatever we do good or bad to the least of our brothers we do to Him God comes to us in our lives in spirit in situations in prayer and sometimes in angels This book focuses on an ordinary family that experiences love tragedy disappointment humor anguish and faith through an extraordinary gift of an encounter with Him in disguise Phillip and CeCe Richards were high school sweethearts that have been married for many years but now a strange encounter threatens their relationship with each other and with God Tragedy follows with despair which puts them at a crossroads with some major choices to make God is forgiveness God is life God is real and God is love *Love Thy Neighbor* Jody Kaye,2022-01-02 PEPPER My boss s son is less than thrilled with the

workout I m giving the smoke detector But if Mateo Sanchez wasn t willing to lease me the other side of his duplex I d be living in a cardboard box The latest trouble to root me out of hiding in this small town paradise Finding a date to my sister s destination wedding to my ex I knew lying that my hot landlord was my boyfriend would bite me in the you know where but sometimes a girl gets tired of playing the underdog MATEO Pepper Corbin is as coordinated as a foal on an icy lake And while everyone at Kingsbrier has taken a shine to her the burning smells coming from her kitchen grate on my last nerve I certainly don t appreciate Pepper telling her family we re dating Except getting roped into spending a week on the high seas That s my own fault So I agree to fake our relationship Maybe even too well since now that I ve kissed Pepper she s driving me crazy in a different way **Love Thy Neighbor** Sophie Wintner,2014-10-27 A satisfying category romance from Entangled s Lovestruck imprint He s designed for delicious trouble Interior designer Nikki Norris is at the end of her rope She s lost her business and her fianc who called off their engagement Now she s broke and on her own living in a loft

apartment she can barely afford But something in her feng shui must be working because her new neighbor across the hall is a sexy Brit fashion photographer and he has just the thing to turn Nikki s bad luck around Dallas is tired of stick thin fashion models with no personality So when his curvaceous new neighbor Nikki seeks his help in making her ex jealous Dallas is only too happy to oblige the woman who sets his libido on fire every time she walks into a room Dallas not being one to make commitments thinks all he wants is a little taste of Nikki But will it be enough Just as Nikki and Dallas hatch their plan the wicked chemistry between them growing more irresistible by the second complicates things Now the lines between make believe and making love blur Have Nikki and Dallas found a perfect arrangement or have they designed the perfect plan for disaster

**Love Thy Neighbor** Pierette Evans,1987-01-01 *The Neighbor* Slavoj Žižek,Eric L. Santner,Kenneth Reinhard,2010-06-08 In Civilization and Its Discontents Freud made abundantly clear what he thought about the biblical injunction first articulated in Leviticus 19 18 and then elaborated in Christian teachings to love one s neighbor as oneself Let us adopt a naive attitude towards it he proposed as though we were hearing it for the first time we shall be unable then to suppress a feeling of surprise and bewilderment After the horrors of World War II the Holocaust Stalinism and Yugoslavia Leviticus 19 18 seems even less conceivable but all the more urgent now than Freud imagined In *The Neighbor* three of the most significant intellectuals working in psychoanalysis and critical theory collaborate to show how this problem of neighbor love opens questions that are fundamental to ethical inquiry and that suggest a new theological configuration of political theory Their three extended essays explore today s central historical problem the persistence of the theological in the political In *Towards a Political Theology of the Neighbor* Kenneth Reinhard supplements Carl Schmitt s political theology of the enemy and friend with a political theology of the neighbor based in psychoanalysis In *Miracles Happen* Eric L Santner extends the book s exploration of neighbor love through a bracing reassessment of Benjamin and Rosenzweig And in an impassioned plea for ethical violence Slavoj i ek s *Neighbors and Other Monsters* reconsiders the idea of excess to rehabilitate a positive sense of the inhuman and challenge the influence of Levinas on contemporary ethical thought A rich and suggestive account of the interplay between love and hate self and other personal and political *The Neighbor* will prove to be a touchstone across the humanities and a crucial text for understanding the persistence of political theology in secular modernity
