BARBARA. CARTLAND

Lovely Liar:

Lovely Liars Gloria Ware, 2005 ENVISION A LOVELY LIAR Lovely Liars is a story about men about women about relationships about dreams and life in today's modern society The focus is the life of Jasmine Brown A woman of intelligence conviction and courage A woman born in a small town with big dreams A woman much like many other women in America in her mid thirties slowly venturing along the crossroads of time bringing to full view the reflection of a female engulfed in past failures fearful of future successes and searching for the solace that will mend the scars of a broken past Under the smokescreen of a mid life crisis she emerges out of the ashes of yesterday's burnt romances and ignites a new flame of invigorated and renewed hope In the complexity of the process she finds the simple vision of her true self Move with her through the trials tribulations and triumphs in searching for that storybook perfect male image Along her fallacy of fantasy her world is laced with the linings of an often harsh yet profound reality Looking for a comfort zone within the corridors of masculinity she searches diligently for hope vision and guidance Her search is not uncommon for it is shared by the masses of her gender population Beneath the laughter and the pain the sorrow and the narrow gain she uncovers the shadowed mystery of self love and the gallant glory of self motivation Her story will bridge through the hearts of America like loud thunder on a stormy night Her pain will pierce the skin as quickly as the sharpest knife used by this country's greatest chefs Her search for the often distant truth yet unveiled shall rivet your soul into a state of motionless drama and surround your very essence For in an imperfect world the truth is a mere shadow of total perfection as we all move venomously along the PASSAGE OF LIFE Liar's Guide to True Love Wendy Chen, 2011-11-28 Wedding planner Cassandra Hanley is in the business of making other people's dreams come true But for some reason whenever she meets a potential mate of her own she finds herself telling little and not so little white lies She's not trying to sabotage her relationships on purpose as a people pleaser she just naturally tells men what she thinks they want to hear When Cassandra meets Nick she's determined to be herself this time until she learns he abhors weddings So she recasts herself as an advertising exec and now she's scrambling to cover up the lie with more lies Into the tangled web wanders Cassandra's college sweetheart Kevin Kevin the one man who knows the real Cassandra and loves her anyway Could he have been The One all along Torn between the past and the present Cassandra is about to learn that you can't plan the perfect life the way you can plan the perfect wedding 83 000 words
