VT's goal To embrace both Age Like a Yogi Victoria Moran, 2025-01-14 Yoga and ayurveda as keys for aging beautifully. While advanced age is revered by some, very few of us are in a hurry to get there. This guide treats physical well-being and spiritual growth as two sides of a coin. It is custom-crafted for midlife and later by addressing both eternal verities and physical health. Yoga, the time-honored philosophy of which headstands and downward-facing dogs are only a fragment, doesn't sugarcoat physical life will end and material joys as lovely as they can be are temporary. In acknowledging our true nature, the eternal divinity that is our essence, we have the best shot at well-being on every level. This book explores spiritual awakening, yoga style and the fundamentals of yoga's sister science, ayurveda, for care of the body. No one is too young to take up these practices and no one is too old either. Asana practice, the physical exercise component of the spiritual adventure of yoga, is fully adaptable to anybody of any age. And the mental and spiritual practices of yoga need no adaptations. Age Like a Yogi not only gives the reader immediately applicable tools for spiritual awareness and physical health in the post-fifty decades but also a way to leave this world kinder, safer, saner and a little more beautiful. Even Vegans Die Adams, Carol J., Breitman, Patti, Messina, Virginia, 2017-04-15 *Even Vegans Die* empowers vegans and their loved ones to make the best decisions regarding their own health, their advocacy for animals and their legacy. By addressing issues of disease, shaming and body shaming, the authors present a manifesto for building a more compassionate, diverse and effective vegan community. *Even Vegans Die* celebrates the benefits of a plant-based diet while acknowledging that even vegans can get sick. You will learn how to make the health care decisions that are right for you, how to ensure your efforts to help animals will not end after you die and how to provide compassionate care for yourself and for others in the face of serious illness. The book offers practical, thoughtful and sensitive advice on creating a will, mourning and caregiving. Without shying away from the reality of death, *Even Vegans Die* offers a message that remains uplifting and hopeful for all animal advocates and all those who care about them. *Drop The Fat Act and Live Lean* Ryan Andrews, 2012-05-02 *Drop The Fat Act Live Lean* employs the
