Lovers Friends Slaves:

Lovers, Friends, Slaves... Martha L. Stein, 1975 **You Are My Slaves** Martijn J. Stoutjesdijk, 2024-12-16 Some of the slavery parables in the New Testament have been called texts of terror as the slaves who are portrayed in them are beaten or even cut in two Despite or because their violence slavery parables are often used in early Christian and early rabbinic literature to illustrate the unique relationship between God and his people This study investigates the reasons for and meaning of using the master slave metaphor in the parables what does it tell us about early Christian and early rabbinic theology including possibilities for critique and resistance vis vis the divine and what does it say about slavery in the ancient world Legalizing Prostitution Ronald Weitzer, 2012 While sex work has long been controversial it has become even more contested over the past decade as laws policies and enforcement practices have become more repressive in many nations partly as a result of the ascendancy of interest groups committed to the total abolition of the sex industry At the same time however several other nations have recently decriminalized prostitution Legalizing Prostitution maps out the current terrain Using America as a backdrop Weitzer draws on extensive field research in the Netherlands Belgium and Germany to illustrate alternatives to American style criminalization of sex workers These cases are then used to develop a roster of best practices that can serve as a model for other nations considering legalization Legalizing Prostitution provides a theoretically grounded comparative analysis of political dynamics policy outcomes and red light landscapes in nations where prostitution has been legalized and regulated by the government presenting a rich and novel portrait of the multifaceted world of legal sex for sale **MALE CRIME AND DEVIANCE** Barri R. Flower, 2003-01-01 MALE CRIME AND DEVIANCE seeks to explore in depth the types of offenses most identified with and committed by males dynamics of male crime characteristics of male offenders how male criminality and delinquency compare with and differ from female delinquent and criminal behavior explanations for male crime and efforts at combating crime in this country Particular attention is given to exploring the relationship between male aggression and masculinity as well as the role that testosterone and other biological factors play in male crime and violence The book also focuses on the correlation between male violence and aggressive behavior and firearms violence involving intimates male sexual violence bias crimes workplace violence terrorism male perpetrated sexual offenses youth gang crime and school violence These areas of male criminality and deviance are examined within the context of all male offending arrest self report and inmate data along with criminological theoretical approaches to understanding the causes and related factors of male deviant behavior The book is written primarily for undergraduate and graduate level students for coursework in criminal justice criminology male aggression violent behavior homicide youth studies gang studies delinquency law law enforcement sociology social science psychology biology and related areas of study However it is appropriate as well for academicians social scientists psychologists law officers medical workers and a general readership with a vested interest in antisocial behavior and its implications on the greater society **Sex Work in Popular Culture**

Lauren Kirshner, 2024-07-05 *Sex Work in Popular Culture* delves into provocative movies TV shows and documentaries about sex work produced in the last fifteen years a period of debate and change around the meaning of sex work in North American society From Oscar winning films to viral YouTube videos and from indie documentaries to hit series many of which are made by women the book reveals how sex work is being recognized as real work and an issue of human rights Lauren Kirshner shares how popular culture has responded by producing the dynamic new figure of a sex worker who challenges tropes and promotes understanding of the key issues shaping sex work The book draws on labour and feminist theory film history current news and popular culture all within the context of neoliberal capitalism and the rise of transactional intimate labour Kirshner takes us from erotic dance clubs to porn sets illuminating the professional lives of erotic dancers massage parlour workers webcam models call girls sex surrogates and porn performers Probing how progressive popular culture challenges stereotypes *Sex Work in Popular Culture* tells the story of sex work as labour and how the screen can show us the world s oldest profession in a new light *Unreported Taxable Income from Selected Illegal Activities* Kenneth Carlson, Herbert F. Weisberg, Naomi E. Sevin Goldstein, Abt Associates, 1984 September 1984 Cover *Sex Tourism on the Kenyan Coast* Rose Omondi, Chris Ryan, 2024-08-28 This book challenges many suppositions surrounding sex tourism suggesting that elderly males who seek romance and are caught up in their fantasies of finding love with exotic black women are taken advantage of even while the women are often deluding themselves when searching for the mzungu who will enable them to fulfil their dreams of travel house ownership and comfort It is a complex story based on research into the lives of the sex workers obtained from a study conducted over 12 months in the bars and nightclubs of the Kenyan coast Fortunes are made and lost but the tragedy is that the success of the few in achieving their dreams becomes a false promise for the majority who seek to emulate the success of the few The book will be of immense value to those interested in gender studies and indeed those who hold an interest in the complexities of sex work *Routledge Library Editions: History of Sexuality* Various Authors, 2021-02-12 Reissuing seven works originally published between 1977 and 1992 this collection offers a varied selection of surveys of historical practices and attitudes to sexuality from complete reviews of changing attitudes through time to individual studies of France in the 19th and 20th Centuries and England in the 17th This set will be of interest in sociology gender studies cultural studies and history **Red Light Labour** Elya M. Durisin, Emily van der Meulen, Chris Bruckert, 2018-09-01 In 2013 the Supreme Court ruled in Canada v Bedford that key prostitution laws were unconstitutional The decision provoked wide interest but little new insight into sex work *Red Light Labour* addresses Canada s new legal regime regulating sex work through the analysis of past and present policy approaches and consideration of how laws and those who uphold them have constructed controlled and criminalized sex workers their clients and their workspaces This groundbreaking collection also offers nuanced interpretations of commercial sexual labour that foreground the personal perspectives of workers and activists The contributors highlight the struggle for civic and social inclusion by considering sex

workers advocacy tactics successes and challenges Red Light Labour promotes social and economic justice within a sex work as labour framework This book is a timely intervention that showcases up to date legal policy and social analysis of sex work in Canada **Sex, Drugs, Death, and the Law** David A. J. Richards,1986 Among the most commonly argued legal questions are those involving victimless crimes consensual adult sexual relations including homosexuality and prostitution the use of drugs and the right to die How can they be distinguished from proper crimes and how can we as citizens judge the complex moral and legal issues that such questions entail David Richards a teacher of law in the areas of constitutional and criminal law and a moral and legal philosopher concerned with the investigation of legal concepts applies an interdisciplinary approach to the question of overcriminalization he draws on legal and philosophical arguments and links the subject to history psychology social science and literature To demonstrate how gross and unjust overcriminalization has developed Professor Richards explores basic assumptions that often underlie the common American sense of proper criminalization

Sex For Sale Ronald Weitzer,2022-11-22 Since the publication of the second edition in 2010 the field of sex work studies has expanded This fully updated edition of Sex for Sale Prostitution Pornography and Erotic Dancing presents an innovative in depth and nuanced analysis of sex work its risks and benefits and pays attention to newer and everchanging types of sex work and its actors as well as public policies and laws that govern its trade Now in its third edition this volume includes updated research on traditional forms of sexual labor and incorporates original empirically grounded research on newer or less researched phenomena New chapters explore the use of technology among street sellers blurring the line between street and online solicitation in addition to chapters on historical prostitution transgender workers illicit massage parlors male strippers commercial webcamming alternative policies and legal systems and the sex workers rights movement The combination of cutting edge and comprehensive analyses and carefully constructed methodologies in Sex for Sale makes it an excellent source of information for scholars and university students in gender studies sociology and criminology

Electrified Sheep Alex Boese,2012-06-05 Perfect summertime reading preferably with a friend nearby who can be constantly interrupted with unsettling facts Daily Mail UK Benjamin Franklin was a pioneering scientist leader of the Enlightenment and a founding father of the United States But perhaps less well known is that he was also the first person to use mouth to mouth resuscitation on an electric shock victim Odder still it was actually mouth to beak resuscitation on a hen that he himself had shocked Welcome to some of the weirdest and most wonderful experiments ever conducted in the name of science Filled with stories of science gone strange Electrified Sheep is packed with eccentric characters irrational obsessions and extreme experiments Watch as scientists attempt to nuke the moon wince at the doctor who performs a self appendectomy and catch the faint whiff of singed wool from an electrified sheep **Women Working: Prostitution Now** Eileen McLeod,2022-08-24 Women who work as prostitutes are struggling against a disadvantaged position in society The relative poverty in which many women still live in is seen as the cause for prostitution in that sex is their most saleable

commodity and can bring them substantial financial rewards Originally published in 1982 and drawing on her involvement with PROS Programme for Reform of the Law on Soliciting one of the Street Prostitutes Campaigns in Britain and on interviews with prostitutes and their clients the author examines how the financial benefits are offset by the attitudes prostitutes encounter from men It is shown that while in some ways the role of client reflects men s advantageous social position male clients are often trying to compensate for failure in their marriage or an inability to conform to the accepted masculine role What the clients want and the conditions in which prostitutes work are discussed in separate chapters Meanwhile the Law the media and public opinion unite to protect the public face of morality and to condemn prostitutes as a corrupting influence in society This study concludes by showing how prostitutes campaigns are struggling with these issues and relates this to the feminist efforts to improve the conditions in which women exist and work Snapshot of Research

Paying for Pleasure Teela Sanders,2013-05-13 Drawing on original empirical data with men who buy sex this book takes a fresh look at the relationships clients have with female sex workers The core questions that form the backbone of the research are not only the expected inquiry into why men buy sex but also into the sociological and psychological processes that men encounter in order to enter an assumed deviant sexual behaviour as part of their everyday lives These sociological processes of finding negotiating and buying sexual services are complicated by the stigma directed towards men who buy sex Exactly how do men behave with sex workers what are their relationships like what emotions are involved and can intimacy be bought Questioning the dichotomy made between commercial and non commercial relationships the data suggests that intimacy and commerce are compatible Managing secrecy stigma and the consumption of intimacy takes this book into some of the more challenging theoretical areas of masculinity and emotional consumption in contemporary society Drawing some parallels from the author s earlier book *Sex Work A Risky Business* the book offers insights into why engagement in commercial sex is prolific as sexual culture is transformed in late modernity *Sin, Sickness and Sanity* Vern L.

Bullough,Bonnie Bullough,2019-01-16 Originally published in 1977 For centuries myth misinformation and taboo have distorted our vision of our sexual nature This book examines such cultural phenomena from Greek dualistic thought to Buddhist philosophy from the attempt of early Christian sects to promote total chastity to homosexual practices among the Arabs It explains Victorian theories about masturbation and madness sexist dogmas limiting feminine potential social attitudes towards abortion over time and much more Extensively researched this fascinating classic work is a comprehensive summary of our knowledge of past sexual attitudes as well as an appraisal of the causes and direction of sexual revolution
