out of control in the city's press Billy finds himself at odds with his superiors the displeasure being voiced from the very bowels of City Hall in an upcoming election year And when twin siblings with no apparent connection to the actress are arrested and charged with her murder in the name of political expediency Billy is forced to decide between his own conscience and his loyalty to his department On a more personal note disillusioned by his unhappy marriage to his Chinese American wife and the lingering effects of the ongoing depression and upon seeing up close how the other half live Billy unwisely allows himself to become entangled with one of his suspects TINFOIL COPPER takes place against the backdrop of the Great Depression and the tail end of Prohibition and is set within the environs of a Southern California re imagined Atmospheric and replete with historical detail that seamlessly blends fact and fiction TINFOIL COPPER is a love letter to the golden age of American crime fiction but taken in a whole new direction Perfect for your next book club read **The**
