and growth with others Love in the Hebrew Bible Song-Mi Suzie Park,2023-05-30 Christians insist that love stands at the heart of who God is Yet when we talk about love in the Hebrew Bible how much do we really know Possessing such a belief alone does not mean that we possess a clear understanding of what love is Are we aware of how often divine and human love are tied up with the idea of preference for one individual or group over another Do we know how often descriptions of love involve questions of power authority and gender Do we see that love is connected to suffering betrayal and sometimes death in the Hebrew Scriptures In *Love in the Hebrew Bible* one of the first book length studies of its kind Suzie Park provides fascinating and essential insights into these questions refreshing our understanding of the meaning of love in the Hebrew Bible Pushing against characterizations of the loving God of the New Testament narrative universe versus the wrathful God of the Old Testament Park shows that love is integral to the ways in which relationships both among people and also between humanity and God are imagined in the Hebrew text Reflecting matrices of meaning and associations love thus is a vital component of the ideology and theology of the Hebrew Scriptures and an understanding of it remains fundamental to our knowledge of the biblical text **Sermons For The Battlefield** Dominique J. Fryar,2012-05 One of the greatest questions in the Christian faith is how do I achieve spiritual prosperity and finally gain victory over my life Many are tired of fighting the same fight and being dealt the same hand and want God to hurry up and answer them Time and time again we look to our external circle to find stimulation for an internal struggle only to find ourselves looking back at the Eternal Answer to avoid a worst situation The keys to success are written in every self help book and can be heard in speaking arenas around the world but God wants us to listen to what He has to say True success is not measured by the amount of money in your bank account or the number of people that follow a multi million dollar empire Change your thinking Most millionaires and successful people still find themselves unhappy and spiritually dry and seeking for spiritual nourishment We are charged to be different and to show others that do not know the way how to reach their greatest potential and live a spiritually prosperous life God is calling every man to him The Lord has room in the kingdom for all willing to lose their life to earn eternal life and achieve spiritual prosperity No matter if you want to be rich in favor own a Fortune 500 company or just want to develop the position in your life right now God wants to show you how to take where you are and use that to get to where you want to be *The Ethics of Love* Susi Ferrarello,2022-07-29 This book explores the ethical and psychological dilemmas connected to the lived experiences of love uniquely proposing an ethical framework that can be applied in loving relationships The book provides an introduction to the study of ethics moral psychology and ancient philosophy Examining key themes of love such as unconditional love romantic love anger desperation and fairness this book offers the reader a way to exercise and strengthen their personal critical thinking on ethical dilemmas especially in relation to loving feelings The author believes that ethics is the heart of love in the same way as logic is the brain of reasoning we do not need ethics to love but we can love in a much healthier way if we train our ethical skills to love After laying the theoretical framework for the book chapters are organized

into themes relating to ethical problems and begin with an exemplary piece from Greek and Latin literature Using these writings as a starting point Susi Ferrarello discusses whether it is possible to have a sound ethical theory of love especially in cases relating to justice despair and rage and demonstrates how this framework can be applied in new and established relationships Filled with case studies throughout spiritual exercises are listed at the end of chapters to help the reader increase their understanding of love and their ethical choices surrounding emotional dilemmas This interdisciplinary book is essential reading for undergraduate and graduate students who take classes on ethics marriage and family therapy psychology philosophy classics ancient philosophy and politics as well as those interested in the ethics of love and emotional decision making
