swung open with a prolonged creak that echoed through what appeared to be a grand foyer

Unleashing Your Inner Goddess is about understanding and acknowledging that her divinity exists Your Inner Goddess is the purest form of you She is everything love and never concerns herself with trivial things She s been around for a LONG time and knows the ways of the Universe She also knows why you re here She is your Divine spark We often make the mistake of thinking our history begins with our birth in this life and that our memories extend only from the moment of our birth Our physical body is just the tip of the iceberg when it comes to who we are and what makes us us We have memories and knowledge from our life before this one Your Inner Goddess is your soul your true essence who always wants the best for you She s the part of you who truly remembers who you were before you came to this world She s free and wild and really doesn t care about other people s opinions She s the part of you who s at peace with what you ve been through and where you re headed It s You who set the course of your life and the things you want to accomplish and learn before you even came to this earth It s You whispering guidance to yourself about your highest path and purpose Your Inner Goddess invariably involves how you can best serve others while being true to yourself This part of You helps you to keep on track with your life s purpose and in touch with your passions and joy Your Inner Goddess has brought with her your feminine energy She s that part of your soul who is fully connected with the Divine Feminine Your Inner Goddess manifests as your higher self your soul your spirit your intuition the essence of who you truly are You might frequently hear the phrase finding yourself but finding yourself is really returning to yourself and to your Inner Goddess Tapping into this divine feminine energy allows you to live life guided by your true essence and be in perfect flow with the magic of the universe Every woman has an Inner Goddess whether you realize it or not Connecting with your Inner Goddess will automatically make you feel happier radiant healthier and sexier Your higher vibration will make you naturally glow from the inside out You don t need to contact your Higher Self as an entity outside of yourself she is You Wisdom and memories are inside of you if you will access them Pay attention to your desires and passions Your truest heartfelt desires are feedback from your Inner Goddess about what you want to do now Living from your Inner Goddess means not sacrificing or ignoring those desires it also means listening to those desires on a daily basis You know you are stepping into your Goddess self and awakening your true eternal nature when you become more concerned about you inner journey than your outward one
