What Type of Character Are You Hanging Out With? Betty Alark, 2011-01-06. People enter our space on a daily basis and as I always say, You can't judge a book by its cover. You actually have to open the book and start reading its contents before deciding whether you like it or not to determine its value and worth. Only then will you find out if it was a good book if your time was well spent on reading it and whether you would recommend it to someone else. The characters that enter our space are like books; one never knows what's lurking around inside the mind of a character until you delve into that character's mind and determine what type of character the person is. What type of character are you hanging out with? *The Qur'an*
