Ignorance Helen T. Boursier, 2022-04-27 Using ethnographic research *Willful Ignorance: Overcoming the Limitations of Christian Love for Refugees Seeking Asylum* examines the attitudes of clergy and lay leaders regarding their inattention to racism as it intersects with the harsh reality of U.S. immigration policies and practices This multi-faceted work begins with a reality check on the scope of forced migration and its intersection with the historical legacy of racism in America including testimonies from displaced migrants and immigration advocates who help to alleviate state-inflicted suffering at the U.S. Mexico border Helen T. Boursier examines the rationales Christian leaders use to justify the local church's nominal response including the discursive buffers and stall tactics they use to deflect their lack of preaching teaching leadership and or ministry with displaced migrants who are their near neighbors The Christian church's firm foundation to embody love as social justice provides a historical rebuttal while case studies of congregations that offer displaced migrants compassionate hospitality model exemplary contemporary response Closing with practical suggestions for how to begin building bridges with migrants Boursier argues for a philosophy of religion that embraces resistance to racism and exclusion from asylum through a missiology of compassion that exemplifies an ecclesiology of love Relational Theology Brint

Montgomery, Thomas Jay Oord, Karen Winslow, 2012-11-06 A growing number of Christians feel drawn to relational theology The God of the Bible seems thoroughly relational and we are increasingly aware of our own interrelatedness with others Contributors to this volume tease out some implications of relational theology in light of a host of issues doctrines and agendas The result is a must-read collection of essays with proposals sure to be the center of conversations for decades to come **Intentional Parenting** Tad Thompson, 2011-02 There are thousands of books on how to live the Christian life At

Richard, 2004-05-01 This set includes all three books of the Intentional Life Series *Soul Passion Soul Mission* and *Soul Vision* Throughout the Ages humanity has pursued the meaning of

life However most of us live decidedly arbitrary lives muddling through from day to day In the Intentional Life Series Dr Ramesh Richard who has been called the layman s Ravi Zacharias articulates how a meaningful life must be a truly intentional life comprised of passion mission and vision He believes that in order for us to embody our true selves and become what we were designed to be we must reevaluate that passion mission and vision and conform them to God s will In Soul Passion Richard argues that even though many of us know there must be something more to life we stumble about with undirected goals and undiscovered passion He motivates readers to ask themselves what their passion is where they have placed their heart love trust and sufficiency Discovering your soul passion is the foundation for living a biblically well built and profitable life In Soul Mission Richard explores what it means to have a mission for your life that is in response to God s universal purpose Readers will find themselves deeply challenged to evaluate why they re here and find assistance with developing their own soul mission In Soul Vision Richard closes the trilogy by orienting his readers to the future through guidance from the Divine Visionary
