Life of Love for Atema and Atepa Dedeth Ford, 2013-04-22 Dedeth I reach across the many miles and gently touch your cheek and ask the wind to kiss you softly for me until we can be together. Patrick, During the year of 1987, computers were not household commodities and communication was primarily done through letters. Two people from opposite sides of the Earth with contrasting cultures develop a unique and strong relationship simply through writing letters to one another. Over an entire year of penning back and forth, they earned each other's trust while discovering the true personality of the other. Thoughts of a future relationship that would endure a lifetime were constantly circling their minds. Dedeth, a young woman from a developing village in the Philippines, and Patrick, a man from the United States of America, grasped what each other's inner self contained. They were able to fall in love despite the thousands of miles separating them. Dedeth and Patrick saved the letters they received and have kept them safe and close to their hearts. Those letters are shared in this novel to allow one to understand the breathtaking depth of their relationship that culminated from a single letter.

Collier's, 1928 *Reflections of the Christ Mind* Paul Ferrini, 2000-07-25 For Paul Ferrini, there was a time when the very thought of Jesus left him cold. Instead of embodying the truth of Jesus teaching, Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self-interest than to unconditional love. So when Ferrini felt Jesus' voice inside him saying, "I want you to acknowledge me," he resisted. In time, however, he came to realize that it was not Jesus he was rejecting, but the untruths that had become attached to Christian teaching. Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past, but also meant that he was opening himself up to a living presence within his own awareness. Once Ferrini reached this reconciliation, powerful words of spiritual truth began to flow through him. *Reflections of the Christ Mind* presents the most important teachings the author has received through his spiritual awakening. Here at last is a gospel devoted solely to Jesus' teachings of love, healing, and forgiveness. The teacher readers meet in these pages is both compassionate and open-minded; he is the Jesus Christians know in their hearts. Repudiating religious hypocrisy, intolerance, and spiritual pride, Ferrini rejects the dogmatic position of the

Church offering instead words of hope and healing that form the new gospel for today *Blitzkrieg Love* Livia Olteano, 2013-06-24 Don't try to be my hero Don't care about me Don't let go Twenty two year old Beatrice Stevens lives to dance Two years ago she walked in on the picture of horror after stabbing her mom 34 times her father killed himself She found his corpse still clutching at her mom's determined not to let go of her even in death Now Beatrice freaks out if she's hugged loomed over or receives attention from daddy type guys Unless she's dancing the one thing that feeds her soul and saves her time after time Anthony Gowl wants Beatrice from the moment she bumps her adorable nose into his chest That desire turns into a burning need after he sees her dance But he's the overprotective type he can't help it it's part of him ever since his sister ODed seven years ago His savior complex makes him the perfect opposite of what Beatrice needs But she can't seem to shake him He's both scary and exciting even when he kneels at her feet And the closer he gets the more that toxic waste in her soul threatens to explode Sensuality Level Hot
