*Loving Without Giving in* Ron Mock, 2004 How can Christians love their neighbors and their enemies at the same time What if the enemies are terrorists and tyrants and the neighbors include the people they terrorize or tyrannize Can governments be terrorists Or only individuals Is there a Golden Rule for nations These are among the many urgent questions addressed in *Loving Without Giving In* *Disarming the Church* Eric A. Seibert, 2018-04-11 If Christians follow the Prince of Peace why do they often behave so violently What can be done to transform the church so that it looks more like Jesus Eric Seibert explores these questions in this important and timely study He builds a biblical and practical case for living nonviolently in all areas of life and urges Christians to reexamine their most fundamental attitudes toward violence warfare and killing Through true stories and careful analysis Seibert demonstrates that it is possible to resolve conflict correct injustice and stop oppression without resorting to violence Many nonviolent alternatives are discussed throughout the book alternatives that can be used in a wide range of situations from dealing with an unwanted intruder at home to removing a dictator from power In a world filled with so much violence hate and fear alternatives like these are desperately needed This book offers hope that a better way is possible one that has the potential to transform the church and change the world So read on and join in
