The background of the entire cover is a photograph of a sunset or sunrise over a landscape. In the lower-left foreground, the silhouettes of a man and a woman are shown holding hands and walking towards the right. The sun is a bright, glowing orb on the horizon, casting a warm orange and yellow light across the sky and the silhouetted figures. The sky is filled with soft, wispy clouds. The overall mood is romantic and contemplative.

KRISHNAMURTI, On Living and Dying is one of a series of theme books compiled from the talks writings and dialogues of J Krishnamurti Some of the other titles in the series are On God On Relationship On Love and Loneliness and On Fear To understand death you have to understand life But life is not the continuity of thought it is this very continuity that has bred all our misery So can the mind bring death from the distant to the immediate Actually death is not somewhere far away it is here and now It is here when you are talking when you are enjoying yourself when you are listening when you are going to the office It is here at every minute of life just as love is If once you perceive this fact then you will find that there is no fear of death at all

**The Art of Living and Dying** Osho, 2017-06-06 Death cannot be denied by repeating that death does not exist Death will have to be known it will have to be encountered it will have to be lived You will have to become acquainted with it Osho Why are we afraid of death How do I relax in the certainty of death Is the theory of reincarnation true How can I celebrate death as you suggest With depth clarity compassion and even humor Osho answers these questions and many others shedding new light on this most sacred of mysteries and providing practical guidance for meditation and support In The Art of Living and Dying Osho not only reveals that our fear of death is based on a misunderstanding of its nature but that dying is a tremendous opportunity for inner growth Death is not an event but a process and one that begins with birth Each exhalation is a small death each inhalation a rebirth When life is lived consciously and totally death is not a catastrophe but a joyous climax
