Extraordinary Sex Now Sandra R. Scantling, Sandra Scantling, 1998 Based on her twenty years of clinical practice, sexual therapist Dr Sandra R Scantling has written a new guide to restoring the vital connections that bring couples together and make it possible for them to enjoy extraordinary sex. This is not a sex manual; it is a book about achieving true intimacy both in and out of the bedroom. Great sex is based on couples becoming aware of those ineffable forces that originally brought them together, forces that may have been based on differences rather than similarities in style and personality, forces that now may be pulling these same people apart. Having achieved an understanding of these forces, they will be better able to communicate, achieve intimacy and enjoy extraordinary sex. From publisher description
