This collection of correspondence and newly discovered family papers is a good read for anyone interested in WWI or the British Army The NYMAS Review Hugo De Pree was the nephew of the better known Field Marshal Sir Douglas Haig However De Pree had a distinguished military career in his own right He served in the Boer War He was sent to the Western Front as Chief of Staff of IV Corps and played a key part in planning the Battle of Cambrai in 1917 In 1918 De Pree was appointed to command 189 Brigade in 63rd Royal Naval Division His part in the March Retreat showed that he was not a chateau general In August 1918 he took the morally courageous decision to cancel his Brigade s attack fearing heavy losses

for little gain He was sacked but after appealing was appointed to command a brigade of 38th Welsh Division which he commanded with distinction in the last weeks of the war Afterward De Pree rose to Major General and was the Commandant at RMA Woolwich His son John was killed in 1942 when attempting to escape from a POW camp in Germany a story told in this book by one of the leading academics in the field which combines De Pree and Haig family papers with incisive commentary to give a multi faceted insight into both an important but obscure senior officer of the First World War and his hugely famous uncle

**The Equality of Shadows** Charl-Pierre Naudé,2024-08-01 When an unusual building appeared overnight in a remote northern Cape community in the 1970s and disappeared a few weeks later it seemed to point to a series of baffling existential overlaps Some individuals claimed that occasionally they found themselves on the other side of a restive civil war divide in identity embodiments that were highly contrary versions of themselves In other cases absurd social situations seemed to mock normal reality by alternating with it When a small town journalist reported on the events his quiet life became cruelly disrupted by unwanted attention Were these accounts imagined or real Real enough to the eyewitnesses Traumatized and adrift the journalist later

wrote up his story in reportage style when a childhood friend invited him to recuperate on her farm He believed he had narrowly escaped the disappearance of an entire region a place nobody has ever heard of and its people including the love of his life As the mystery unfolds with an aura of retrieved memory the narrator s lost love becomes an increasingly evocative presence The Equality of Shadows is a compelling novel in some places uproariously funny in others filled with deep pathos about the vagaries of identity love and time
