Lp Proper Marriage:

The Law of Scotland Affecting Trustees Alexander John Pople Menzies, 1913 **Shembe, Ancestors, and Christ** Edley J. Moodley, 2008-08-18 The Christian axis has shifted dramatically southward to Africa Asia and Latin America so much so that today there are more Christians living in these southern regions than among their northern counterparts In the case of Africa the African Initiated Churches founded by Africans and primarily for Africans has largely contributed to the exponential growth and proliferation of the Christian faith in the continent Yet even more profoundly these churches espouse a brand of Christianity that is indigenized and thoroughly contextual Further the power and popularity of the AICs beyond the unprecedented numbers joining these churches are attributed to their relevance to the existential everyday needs and concerns of their adherents in the context of a postcolonial Africa At the heart of Christian theology is Christology the confessed uniqueness of Christ in history and among world religions Yet this key feature of Christianity as with other important elements of the Christian faith may be variously understood and re interpreted in these indigenous churches The focus of this study is the amaNazaretha Church an influential religious group founded by the African charismatic prophet Isaiah Shembe in 1911 in the province of KwaZulu Natal South Africa The movement today claims a following of some two million adherents and has proliferated beyond the borders of South Africa to neighboring countries in Southern Africa The book addresses the complex and at times ambivalent understanding of the person and work of Christ in the amaNazaretha Church presenting the genesis history beliefs and practices of this significant religious movement in South Africa with broader implications for similar movements across the continent of Africa and beyond **Sex, Marriage, and Family in John Calvin's Geneva** Jr. Witte, John, John Witte, Robert M. Reynolds, 2016-06-30 An indispensable guide to how marriage acquired the status of a sacrament This book analyzes in detail how medieval theologians explained the place of matrimony in the church and her law and how the bitter debates of the sixteenth century elevated the doctrine to a dogma of the Catholic faith **A Colorado DV Workbook** PEGGY LINDHOLM, *Families Divided* Colin Murray, 1981-08-27 Describes the process of change from agricultural tribal society to one supplying migrant labor for mines and industry in South Africa and the concomitant effects on the economy government and families of Lesotho **A Handbook of Husband and Wife According to the Law of Scotland** Frederick Parker Walton, 1893 **Bishop Burnet's History of His Own Time. vol. 1** edited by Gilbert Burnet, second son of the Bishop, and others; vol. 2

Irony Helene P. Foley,2019-03-15 Ritual Irony is a critical study of four problematic later plays of Euripides the Iphigenia in Aulis the Phoenissae the Heracles and the Bacchae Examining Euripides representation of sacrificial ritual against the background of late fifth century Athens Helene P Foley shows that each of these plays confronts directly the difficulty of making an archaic poetic tradition relevant to a democratic society She explores the important mediating role played by choral poetry and ritual in the plays asserting that Euripides sacrificial metaphors and ritual performances link an anachronistic mythic ideal with a world dominated by chance or an incomprehensible divinity Foley utilizes the ideas and methodology of contemporary literary theory and symbolic anthropology addressing issues central to the emerging dialogue between the two fields Her conclusions have important implications for the study of Greek tragedy as a whole and for our understanding of Euripides tragic irony his conception of religion and the role of his choral odes Assuming no specialized knowledge Ritual Irony is aimed at all readers of Euripidean tragedy It will prove particularly valuable to students and scholars of classics comparative literature and symbolic anthropology Catalog of Copyright Entries.
