Our Mother's War Mel Fiske, Christina Radich, 2007-11 Christina Radich and Daniel Fiske began dating in high school back in 1972 This book is the unlikely result of their teen aged romance Christina wanted to capture her mother's story of life in Nazi occupied Holland She didn't know how or where to start Dan suggested that his father Mel a former newspaper reporter could steer her to the starting line Mel advised Christina to get a recorder and tapes and ask questions For the next 15 or so years she taped her mother's recollections up until her death in 1994 It took several years for Christina to find Lynette Bourne a medical transcriber to copy all the tapes Then Christina brought the transcriptions to Mel Fiske more than ten years after the death of her mother What do I do now she asked plaintively Mel took the unedited transcriptions He began researching the history of the Dutch people under the Nazi occupation to place the story of Christina's mother in proper historical perspective Our Mother's War is the story of Aluzia Van Dalen but also that of the Dutch people from 1940 to 1945 the

darkest of times for them Aluzia went through the war with one thought survival I haven't lived yet she told herself Our Mother's War recounts her struggle to live [Catalog of Copyright Entries Library of Congress. Copyright Office,1977](#)

Justyce Scales of the Otherly and Obscura Norma Rae,2022-06-26 Ever since Luci started experiencing daymares she has relied on photography to discern reality from hallucination That's why the new camera she receives for her sweet sixteen birthday is perfect for the mother daughter road trip to the hot spring Or at least it was perfect until the camera was all she had left A car accident leaves Luci stranded on a northern highway and her mother missing Luci doesn't understand why her face was on that billboard She knows that the fog is too thick to see anything including the cliff edge where the car stopped Her camera helps her navigate once more but this time she finds an eerily beautiful woman who propels Luci into a parallel world What she thought was the Rocky Mountains is now a strange world made of river sharks Memegwaans building sized flowers underwater houses and a labyrinth Luci must navigate this new world to find her mother complete three trials to open the exit and try to understand some darker secret before the foreboding plane of existence Obscura and a dehumanized woman dig their claws into Luci **The Romero Strain II** TS Alan,2017-11-13 The Romero Strain had swept across the globe turning most of its inhabitants into the living dead However months after the zombie apocalypse the living dead have become rotting corpses and in the aftermath two mutant species have risen transmutes and half mutes Transmutes were spawned from the infected whose DNA contained a mutated receptor gene left over from the days of the black plague mostly those of Irish ethnicity Although a transmutes features of an elongated neck bluish gray skin fingers with razor sharp talons and large black eyes give them a menacing appearance they are not as aggressive as the other mutant species Transmutes are solitary creatures that come out at dark to hunt for food rodents dogs cats and sometimes humans Half mutes were born out of a mutated strain of the original virus These jaundice fleshed mutations are day creatures and are attracted by noise They are monstrous in appearance highly aggressive nearly fearless and hungry for flesh of all kinds animal transmute and human In New York City a survivor group led by paramedic J D Nichols continues their quest at locating and rescuing the children abducted by the self proclaimed king of New York Edward Stone Stone is a convicted sadistic sexual predator and serial murderer and he and his group are hell bent on butchering altruist J D and laying claim to the Sixty Ninth Regiment Armory where J D and his group have found refuge Nevertheless killing Stone and rescuing the children isn't the only problem the armory leader has Armory resources are running low There are other hostile survivors to contend with and J D is being trailed by a terrifying half mute with a missing finger However the greatest threat to the armory groups survival may be J D himself who is slowly mutating into a transmute Can J D maintain his humanity long enough to save the children and relocate his survivor group to Upstate New York or will his mutation overtake him causing him to fail And exactly why is the half mute with the missing finger stalking J D The Romero Strain II The Dead the Damned and the Darkness is an intense and gripping postapocalyptic sequel to The Romero Strain [The Nueces River](#) Margie

Grandgent* Dante Alighieri,1913 **Help, I Can't Stop Laughing!** Ann Spangler,2006 Packed with funny stories one liners jokes and anecdotes collected from a variety of sources including several of today's best known Christian writers this nonstop collection of life's funniest moments will keep readers smiling all day long **A Hobo's Son and an Orphan Girl** Bob Bristow,2024-06-06 This book started out as a set of adventure stories that have been published locally in several outdoor newsletters These stories were so well received that the adventures in other parts of the life of the

author and his family were added A love story naturally evolved because that was what kept them going and led them from the wilderness where they grew up to the big cities working in politics aerospace and other advanced technologies They combined this city work with many kinds of adventures mostly adventures in wild and unexplored mountains The love became obvious as Bob struggled for over 50 years to satisfy a promise he made to a 13 year old girl in grade school Someday I will build you a castle on a mountain The book is interesting because it describes a lifetime of outdoor adventures and the effort of two kids to stay alive and progress up the social ladder The relevant message is that two very poor kids at the bottom of the social ladder can not only survive but rise to the top The story is unique because the adventures have been experienced by no one else From Bob falling off an 80 foot cliff to Luci battling a new form of cancer that was supposed to take her life Readers should take away a good feeling reading about successfully living through many adventures in the mountains and in social life About the Author Bob Bristow has a BS in Mechanical Engineering an MS in aeronautical Engineering and all PhD coursework completed in Aerospace Engineering He worked for Boeing for over 60 years where he built and ran his own research lab He was an elder in his church and was involved in many professional organizations Bob enjoys skiing scuba diving mountain climbing fishing and hunting He is most passionate about prospecting and mining
