Lucifer's Descendant System Zhanye, 2021-03-08 At some point in the 21st century, the Christian God stopped listening to the prayers of humanity. Monsters with colossal strength and endurance began to emerge, and humanity entered its darkest period. However, to the delight of humanity, some people around the world began to receive powers, and so humanity was able to fight back against monsters. Now seeing these people with powers as the heroes who fought for the good of the world, among these people was Noah. Even though he gained powers, he knew that those powers did not make him stronger at all, making him just as strong as a normal adult man. However, an unknown system awakens and declares him to be the descendant of Lucifer, completely changing his life to the path of the truth and true power.

Lucifer's Hammer Larry Niven, Jerry Pournelle, 1985-05-12 The first satisfying end of the world novel in years, an ultimate one massively entertaining. Cleveland Plain Dealer. The gigantic comet had slammed into Earth, forging earthquakes a thousand times too powerful to measure on the Richter scale, tidal waves thousands of feet high. Cities were turned into oceans, oceans turned into steam. It was the beginning of a new Ice Age and the end of civilization. But for the terrified men and women, chance had saved it. It was also the dawn of a new struggle for survival, a struggle more dangerous and challenging than any they had ever known. Take your earthquakes, waterlogged condominiums, swarms of bugs, colliding airplanes, and flaming what-nots, wrap them up, and they wouldn't match one page of *Lucifer's Hammer* for sweaty palmed suspense. Lucifer's Court Otto

Rahn, 2008-02-28 Rahn's personal diary from his travels as occult investigator for the Third Reich First English translation of the author's journeys in search of a Nordic equivalent to Mt Sinai Explains why Lucifer the Light Bringer god of the heretics is a positive figure Otto Rahn's lifelong search for the Grail brought him to the attention of the SS leader Himmler who shared his esoteric interests Induced by Himmler to become the chief investigator of the occult for the Nazis Rahn traveled throughout Europe from Spain to Iceland in the mid 1930s pursuing leads to the Grail and other mysteries Lucifer's Court is the travel diary he kept while searching for the ghosts of the pagans and heretics who were his ancestors It was during this time that Rahn grasped the positive role Lucifer plays in these forbidden religions as the bearer of true illumination similar to Apollo and other sun gods in pagan worship This journey was also one of self discovery for Rahn He found such a faithful echo of his own innermost beliefs in the lives of the heretics of the past that he eventually called himself a Cathar and nurtured ambitions of restoring that faith which had been cruelly destroyed in the fires of the Inquisition His journeys on assignment for the Reich including researching an alleged entrance to Hollow Earth in Iceland and searching for the true mission of Lucifer in the caves of southern France that served as refuge for the Cathars during the Inquisition also led to his disenchantment with his employers and his mysterious death in the mountains after his break with the Nazis
