Jtol, 2011-09-08 The Spear Temple s Key Vol II The Spear Temple s Key Vol II is a book of parables and figures of speech similar to Vol I It is a book that explains the life of the saint and the genesis of heaven The world today makes gold miniatures of all its favorite things yet the life from God is being separate It gives them their proper value These things will keep you from genesis the beginning and end of all things Jesus came from somewhere otherwise why did he say his Father was greater Heaven too has to start someplace God is brilliant his stories have no end but this is the beginning and it only gets better God offers redemption at any stage best to start while the day is young So take up the second key passage requires your watch and cell phone You have no need of knowing time A cherub has returned to guard the entrance He is hidden in the air he wields the biggest flaming sword and demons hate his cut because it will not heal at least until they sear it by a sun The Spear Temple s Key Vol III The Spear Temple s Key Vol III is a book of stories and figures of speech similar to the Bible They come in parable and they come in strings let them ease your soul This is a book of grace glory and growth God has been preparing these things since he was the only one like Him The riddle can be solved by children yet a man will have an educated guess The deep things of God will take time to understand The heavens are a mystery yet the key will guide you The heroes are here They speak in the Spirit God s crew is full of life I ve had many crosses in my life the temptation had to grow and the end had to come *The Oxford Handbook of New Religious Movements* James R. A Nurse to the Sick Body of Christ Rose A. Ingutia, 2006-04-01 Worship in spirit and in truth has to be based on God's Word that regulates us on how we must worship Him The foundation of the regulative principle of worship is found in the first two commandments Self-styled worship is unacceptable to God regardless of the good intentions Worship based on the traditions of men which were inspired by Satan are used as a sword and a shield against the truth In doing this they successfully execute that very purpose which Satan intends them to that of a false and perverse worship shielded by obstinacy A top

priority in choosing a church to become a member should be based on no other criteria than that of a church that has its form of worship based on biblical principals
