Lucky Country:

Lucky Country? Ian Lowe, 2016-03-23 Can we reinvent the Lucky Country Fifty years ago author Donald Horne described Australia as a lucky country run by second rate people adding that our leaders are mostly unaware of events that surround them The good fortune continued when our wide brown land proved to contain bountiful resources of saleable minerals allowing successive generations of second rate leaders to create an illusion of economic progress by liquidating those assets But a crisis is approaching driven by irresponsible encouragement of population growth rates typical of poor developing countries In this polemic work Ian Lowe will assess the state of Australia and whether we can retain our status of the Lucky Country

The Lucky Country Eamon Evans, 2023-11-28 The happy accident that created wi fi The well placed piece of coral that saved the Endeavour from sinking The karaoke night that launched Kylie s singing career Australia may be known as the lucky country but just how accurate is that description Turns out very From the Gold Rush to Stephen Bradbury our history is full of times when lady luck made a spectacular appearance Now Eamon Evans dives deep to deliver the most hilarious fascinating tales of the Australians who were almost too lucky to be believed

From the Promised Land to the Lucky Country Renate, 2000 In Renate s spellbinding story we re taken along on an incredible journey of survival that spans three countries and one remarkable life In sun soaked pages Renate shows us life on the kibbutz and how a young country experiences the miracle of statehood Part of Renate s gift is to give us vibrantly real and intimate glimpses of what it s like to be a young mother nurse and doting wife during turbulent times and in a strange land She doesn t sugarcoat but

instead shows us both the pleasures and the perils of her life including the terrifying time when she and her husband back in Israel are separated from their children during the Yom Kippur War Fearlessly honest in her writing Renate spares no detail This outstanding book occasionally breaks the fourth wall allowing the author to talk with readers and reveal to them how freeing it has been for her to write about the traumas in her life This boldness and strength of spirit give From the Promised Land to the Lucky Country its shining truth and intimacy We are meant to enjoy the earth Renate says and in this moving memoir we experience a woman who has despite all the odds found purpose and peace Ellen Tanner Marsh New York Times best selling author *Who Brought the Luck to the Lucky Country?: Great Australian Migrant Business* Carolyn Ford, 2011
