

reproduced not only the spirit but also the form of the Franciscan message. The twelve chapters of its statutes were modeled after the same number in the Rule of the Friars Minor, often reproducing the same titles.

The confraternities in Assisi, as elsewhere, were part of an effort by lay people to emancipate themselves from the grip of the predominantly monastic and clerical spirituality while at the same time holding onto and adapting to fit their own needs such practices and devotions as the structure of general chapters, the recitation of the canonical hours, and the practice of flagellation. The concern of these devout and mostly elite lay people was to live their faith communally and work out their salvation considered in terms not as flight from the world, but rather as a flight from worldly desires.

The introductory essays in the present volume provide an inventory, whenever the documentation is available, of the origins and evolution, the rules for admission and expulsion, the composition (mostly craftsmen and artisans, a few priests, men and women but the latter in a secondary role) and the religious and social practices of these confraternities. A concluding essay would have been helpful to provide a summary of the findings, better establish the common characteristics, gauge the real impact and commitment on personal and civic life, and explore further the motivations and factors contributing to the rise, decline and fall of these associations. These limitations notwithstanding, the essays and the documentation in this volume are a tribute to the impressive contribution that contemporary Italian scholars are making to medieval church history, in particular by their detailed concentration and attention to primary sources. The well-established critical acumen of many of the contributors, such as E. Menestò, U. Nicolini, F. Santucci, G. Casagrande and M. Bigaroni, assures us of the quality of the research.

Lucrecia's Dreams: Politics and Prophecy in Sixteenth-Century Spain. By RICHARD L. KAGAN. Berkely: University of California Press, 1990. ix + 229 pp. \$24.95.

Sixteenth-century Spain was the stage for a considerable struggle with the issue of discernment of spirits in religious women. By the end of the century, the same visionary experiences that had previously given women access to public modes of discourse were singling them out for scrutiny and censure. Richard Kagan's study of the inquisitional trial of Lucrecia de León is extremely valuable in this respect, because Lucrecia's trial in the 1590s shows the extent of the disintegration of the visionary model which had proven so fruitful for women throughout the Middle Ages. *Lucrecia's Dreams* examines the content and context of nocturnal visions based on the only source available to us: the trial records of the Spanish Inquisition. Kagan is to be commended for his detailed examination of this extremely interesting case

The Crown and the Cosmos Darin Hayton, 2015-11-11 Despite its popular association today with magic astrology was once a complex and sophisticated practice grounded in technical training provided by a university education *The Crown and the Cosmos* examines the complex ways that political practice and

astrological discourse interacted at the Habsburg court a key center of political and cultural power in early modern Europe Like other monarchs Maximilian I used astrology to help guide political actions turning to astrologers and their predictions to find the most propitious times to sign treaties or arrange marriage contracts Perhaps more significantly the emperor employed astrology as a political tool to gain support for his reforms and to reinforce his own legitimacy as well as that of the Habsburg dynasty Darin Hayton analyzes the various rhetorical tools astrologers used to argue for the nobility antiquity and utility of their discipline and how they strove to justify their science on the grounds that through its rigorous interpretation of the natural world astrology could offer more reliable predictions This book draws on extensive printed and manuscript sources from archives across northern and central Europe including Poland Germany France and England *A Cloister on Trial* Gabriella Erdélyi, 2016-03-09 In 1517 the usually tranquil friary in the Hungarian town of Krmend found itself at the centre of controversy when its Augustinian friars charged with drunkenness sexual abuses and liturgical negligence were driven out and replaced with observant Franciscans The agent of change in this conflict cardinal Thomas Bakcz claimed to be acting in the name of cloister reform motivated by a religious agenda while the Augustinians portrayed themselves as the victims of a political game Based on the surviving interrogations of a papal enquiry into these events this book illuminates the tensions and potential conflict that lurked within the religious culture of a seemingly unremarkable and remote town The story of the friary trial of Krmend provides a fascinating window into religion and society of Europe at the dawn of the Reformation investigating the processes by which ordinary people emerge as historical agents from the written records By focussing on their experiences as represented in the trial documents the book reveals the spaces and borders of individual and communal action within the dynamic of lay clerical relations negotiated in a friary reform at the beginning of the 16th century Furthermore the moral nature of the accusations levelled at the Augustinians and whether these were justified or instigated for political reasons offers further insights into the nature of late medieval Catholicism and the claims of Protestant reformers **Jewish Poet and Intellectual in Seventeenth-Century Venice** Sarra Copia Sulam, 2009-11-15 The first Jewish woman to leave her mark as a writer and intellectual Sarra Copia Sulam 1600-41 was doubly tainted in the eyes of early modern society by her religion and her gender This remarkable woman who until now has been relatively neglected by modern scholarship was a unique figure in Italian cultural life opening her home in the Venetian ghetto to Jews and Christians alike as a literary salon For this bilingual edition Don Harrn has collected all of Sulam's previously scattered writings letters sonnets a Manifesto into a single volume Harrn has also assembled all extant correspondence and poetry that was addressed to Sulam as well as all known contemporary references to her making them available to Anglophone readers for the first time Featuring rich biographical and historical notes that place Sulam in her cultural context this volume will provide readers with insight into the thought and creativity of a woman who dared to express herself in the male dominated overwhelmingly Catholic Venice of her time **Dreams** K. Bulkeley, 2016-04-30 The recent centennial of the

original publication of Sigmund Freud's *The Interpretation of Dreams* has generated a new wave of critical reappraisals of this monumental work. Considered one of the most important books in Western history, scholars from an astonishing variety of academic fields continue to wrestle with Freud's intricate theories and insights. *Dreams* is a long overdue collection of writing on dreams from many of the top scholars in religious studies, anthropology, and psychology departments. The volume is organized into three thematic sections: traditions, individuals, and methods. The twenty-three articles highlight the most important theories, the most contentious debates, and the most far-reaching implications of this growing field of study.

Between Judaism and Christianity Katrin Kogman-Appel, Mati Meyer, 2009. The essays collected in this volume present a multi-faceted range of scholarship from late antique synagogues, Jewish funerary art, early Christian and Byzantine mosaics to Byzantine and Jewish book art and the representation of the Old Testament in Western manuscripts. **Who Is Mary?**

Vittoria Colonna, Chiara Matraini, Lucrezia Marinella, 2010-07-15. For women of the Italian Renaissance, the Virgin Mary was one of the most important role models. *Who Is Mary?* presents devotional works written by three women better known for their secular writings: Vittoria Colonna, famed for her Petrarchan lyric verse; Chiara Matraini, one of the most original poets of her generation; and the wide-ranging intellectually ambitious polemicist Lucrezia Marinella. At a time when the cult of the Virgin was undergoing a substantial process of redefinition, these texts cast fascinating light on the beliefs of Catholic women in the Renaissance and also in the cases of Matraini and Marinella on contemporaneous women's social behavior prescribed for them by male writers in books on female decorum. *Who Is Mary?* testifies to the emotional and spiritual relationships that women had with the figure of Mary, whom they were required to emulate as the epitome of femininity. Now available for the first time in English language translation, these writings suggest new possibilities for women in both religious and civil culture and provide a window to women's spirituality concerning the most important icon set before them as wives, mothers, and Christians.

Scanderbeide Margherita Sarrocchi, 2007-11-01. The first historical heroic epic authored by a woman, *Scanderbeide* recounts the exploits of fifteenth-century Albanian warrior prince George Scanderbeg and his war of resistance against the Ottoman sultanate. Filled with scenes of intense and suspenseful battles contrasted with romantic episodes, *Scanderbeide* combines the action and fantasy characteristic of the genre with analysis of its characters' motivations. In selecting a military campaign as her material and epic poetry as her medium, Margherita Sarrocchi (1560-1617) not only engages in the masculine subjects of political conflict and warfare but also tackles a genre that was until that point the sole purview of men. First published posthumously in 1623, *Scanderbeide* reemerges here in an adroit English prose translation that maintains the suspense of the original text and gives ample context to its rich cultural implications. **Zayde**

Marie-Madeleine Lafayette, 2007-11-01. Standing at the critical juncture between traditional romance and early novelistic realism, *Zayde* is both the swan song of a literary tradition nearly two thousand years old and a harbinger of the modern psychological novel. *Zayde* unfolds during the long medieval struggle between Christians and Muslims for control of the

Iberian Peninsula Madame de Lafayette 1634-93 takes the reader on a Mediterranean tour typical of classical and seventeenth century romances from Catalonia to Cyprus and back again with battles prophecies and shipwrecks dotting the crisscrossed paths of the book's noble lovers But where romance was long and episodic Zayde possesses a magisterial architecture of suspense Chaste and faithful heroines and heroes are replaced here by characters who are consumed by jealousy and unable to love happily And unlike in traditional romance the reader is no longer simply expected to admire deeds of bravery and virtue but instead is caught up in intense first person testimony on the psychology of desire Unavailable in English for more than two centuries Zayde reemerges here in Nicholas Paige's accessible and vibrant translation as a worthy representative of a once popular genre and will be welcomed by readers of French literature and students of the European novelistic tradition

Laura Battiferra and Her Literary Circle Laura Battiferra degli Ammannati, 2007-11-01 Internationally known during her lifetime Laura Battiferra 1523-89 was a gifted and prolific poet in Renaissance Florence The author of nearly 400 sonnets remarkable for their subtlety intricate narrative structure and learned allusions Battiferra who was married to the prominent sculptor and architect Bartolomeo Ammannati traversed an elite literary and artistic network circulating her verse in a complex and intellectually fecund exchange with some of the most illustrious figures in Italian history In this bilingual anthology Victoria Kirkham gathers Battiferra's most essential writing including newly discovered poems which provide modern readers with a valuable social chronicle of sixteenth century Italy and the courtly culture of the Counter Reformation

Enrico; or, Byzantium Conquered Lucrezia Marinella, 2009-09-15 Lucrezia Marinella 1571-1653 is by all accounts a phenomenon in early modernity a woman who wrote and published in many genres whose fame shone brightly within and outside her native Venice and whose voice is simultaneously original and reflective of her time and culture In Enrico or Byzantium Conquered one of the most ambitious and rewarding of her numerous narrative works Marinella demonstrates her skill as an epic poet Now available for the first time in English translation Enrico retells the story of the conquest of Byzantium in the Fourth Crusade 1202-04 Marinella intersperses historical events in her account of the invasion with numerous invented episodes drawing on the rich imaginative legacy of the chivalric romance Fast moving colorful and narrated with the zest that characterizes Marinella's other works this poem is a great example of a woman engaging critically with a quintessentially masculine form and subject matter writing in a genre in which the work of women poets was typically shunned

Autobiography and Other Writings Ana de San Bartolomé, 2008-11-15 Ana de San Bartolomé 1549-1626 a contemporary and close associate of St Teresa of Ávila typifies the curious blend of religious activism and spiritual forcefulness that characterized the first generation of Discalced or reformed Carmelites Known for their austerity and ethics their convents quickly spread throughout Spain and under Ana's guidance also to France and the Low Countries Constantly embroiled in disputes with her male superiors Ana quickly became the most vocal and visible of these mystical women and the most fearless of the guardians of the Carmelite Constitution especially after Teresa's death Her

autobiography clearly inseparable from her religious vocation expresses the tensions and conflicts that often accompanied the lives of women whose relationship to the divine endowed them with an authority at odds with the temporary powers of church and state Last translated into English in 1916 Ana's writings give modern readers fascinating insights into the nature of monastic life during the highly charged religious and political climate of late sixteenth and early seventeenth century Spain

Floridoro Moderata Fonte, 2007-11-01 The first original chivalric poem written by an Italian woman Floridoro imbues a strong feminist ethos into a hypermasculine genre Dotted with the usual characteristics dark forests illusory palaces enchanted islands seductive sorceresses Floridoro is the story of the two greatest knights of a bygone age the handsome Floridoro who risks everything for love and the beautiful Risamante who helps women in distress while on a quest for her inheritance Throughout Moderata Fonte 1555-92 vehemently defends women's capacity to rival male prowess in traditionally male dominated spheres And her open criticism of women's lack of education is echoed in the plights of various female characters who must depend on unreliable men First published in 1581 Floridoro remains a vivacious and inventive narrative by a singular poet

Flori, a Pastoral Drama Maddalena Campiglia, 2007-11-01 One of the first pastoral dramas published by an Italian woman Flori is Maddalena Campiglia's most substantial surviving literary work and one of the earliest known examples of secular dramatic writing by a woman in Europe Although acclaimed in her day Campiglia 1553-95 has not benefited from the recent wave of scholarship that has done much to enhance the visibility and reputation of contemporaries such as Isabella Andreini Moderata Fonte and Veronica Franco As this bilingual first ever critical edition of Flori illustrates this neglect is decidedly unwarranted Flori is a work of great literary and cultural interest noteworthy in particular for the intensity of its focus on the experiences and perceptions of its female protagonists and their ideals of female autonomy Flori will be read by those involved in the study of early modern literature and drama women's studies and the study of gender and sexuality in this period
