Lucrezia Floriani:

Lucrezia Floriani George Sand, Julius Eker, 2014-06-01 Lucrezia Floriani a worldly 30 year old actress and the mother of 4 children with 3 different fathers meets and falls in love with Prince Karol a moody introspective aristocrat **Lucrezia Floriani... - Primary Source Edition** George Sand, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Lucrezia Floriani George Sand Meline Cans Cie 1846 **Chopin's Funeral** Benita Eisler, 2007-12-18 Fr d ric Chopin s reputation as one of the Great Romantics endures but as Benita Eisler reveals in her elegant and elegiac biography the man was more complicated than his iconic image A classicist conservative and dandy who relished his conquest of Parisian society the Polish migr was for a while blessed with genius acclaim and the love of Europe s most infamous woman writer George Sand But by the age of 39 the man whose brilliant compositions had thrilled audiences in the most fashionable salons lay dying of consumption penniless and abandoned by his lover In the fall of 1849 his lavish funeral was attended by thousands but not by George Sand In this intimate portrait of an embattled man Eisler tells the story of a turbulent love affair of pain and loss redeemed by art and of worlds both private and public convulsed by momentous change *On Writers and Writing* Henry James, 2025-04-15 A new selection of Henry James s essays on the art of writing from his famous essay The Art of Fiction to pieces on George Eliot Ivan Turgenev Honor de Balzac and others Witty erudite and passionate James s essays are a delight for any lover of the written word James knew how to be generous without sacrificing the truth What lends dignity and breadth to his essays above their directness and simplicity is the exploratory reach of James s mind Leon Edel Henry James the master novelist started his literary career as a brash often blistering reviewer unafraid to skewer eminences like Charles Dickens and George Eliot and continued to be a working critic for the rest of his life driven by an unflagging desire to know what makes fiction work James s critical essays represent an ongoing appreciation of the difficult art of the novel searching in their consideration of story character and style They also stand out as splendid contributions to the art of the essay brilliantly argued rich with metaphor witty unfailingly personal In this new selection of James s critical essays Michael Gorra the author of Portrait of a Novel Henry James and the Making of an American Masterpiece draws on all the different periods of James s writing life from his fledgling reviews in The Nation to his mature considerations of Gustave Flaubert Honor de Balzac and William Shakespeare s The Tempest As an overture there is The Art of Fiction in which James insists that the key ingredient

of fiction is not to be moral or otherwise improving but simply to be interesting for a coda Mr and Mrs James T Fields a memoir of the literary New England of his boyhood Overall On Writers and Writing can be read as an artistic autobiography Here we see James revisiting and revising his opinions on fiction that exercise of heart and mind whose very meaning he insists throughout is freedom French Poets and Novelists James, 1893 **Henry James: Literary Criticism Vol. 2 (LOA #23)** Henry James, 1984-12-31 Henry James renowned as one of the world's great novelists was also one of the most illuminating audacious and masterly critics of modern times This Library of America volume is one of two volumes of the most extensive collection of his critical writings ever assembled with many pieces never before available in book form It includes reviews of a great number of European writers especially French writers along with more general essays and the Prefaces Henry James wrote for the New York Edition of his works published between 1907 and 1909 More than one hundred reviews and essays are gathered by author so that readers can trace the development of James's complex meditative and highly volatile attitudes toward a wide spectrum of literature James reviews the formidable Honoré de Balzac with his huge all encompassing all desiring all devouring love of reality Gustave Flaubert a pearl diver breathless in the thick element while he groped for the priceless word and Ivan Turgenev the Russian visitor in Paris with whom James felt great personal affinity even though Turgenev lacked the immense charm of absorbed inventiveness James delivers his critical judgments with great elegance and point especially when he discusses the performance of other critics like Hippolyte Taine and Augustin Sainte Beuve and of course he can be wonderfully acerbic An early moralistic essay on Baudelaire finds Poe vastly the greater charlatan of the two and the greater genius James brings his critical zest exhilaration and independence of judgment to bear on writers as diverse as Alphonse Daudet George Sand Victor Hugo Guy de Maupassant Théophile Gautier J W von Goethe and Gabriele D Annunzio Readers will find in the complete collection of the Prefaces one of literature's most revealing artistic autobiographies a wholly absorbing account of how writing gets written and a vision of the possibilities for fiction which critics and novelists of later times will find immensely instructive and liberating LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries HENRY JAMES Ultimate Collection Henry James, 2023-12-14 The Henry James Ultimate Collection presents a comprehensive anthology of one of the most influential figures in American literature This remarkable compilation showcases James's idiosyncratic literary style characterized by intricate prose and profound psychological insights exploring themes of consciousness identity and the intricacies of interpersonal relationships Readers are drawn into the richly textured worlds James meticulously crafts from the haunting landscapes of European expatriates in *The Portrait of a Lady* to the delicate navigation of social mores in works like *The*
