Ludell And Willie:

Ludell and Willie Brenda Wilkinson,1981 Ludell and Willie Brenda Scott Wilkinson,1981 As Ludell and Willie prepare to graduate from their high school in a small southern town they experience events that alter their plans for the future **Ludell and Willie-CC , Young Adult Fiction by African American Writers, 1968-1993** Deborah Kutenplon, Ellen Olmstead, 2014-04-08 Comprehensive and up to date The first contemporary publication to go beyond examining broad themes and trends in the field this timely volume looks closely at specific authors and texts The book is comprehensive and as current as possible covering works by African American authors for young adults published between 1968 1993 some 200 titles by close to 50 writers In addition to established authors and bestselling titles the coverage includes material overlooked by previous studies such as works from small presses and talented new authors Guidelines for evaluation An extensive introduction reviews important milestones in this body of literature and analyzes noteworthy bibliographical and critical publications about such writing It includes suggested guidelines for evaluating a work in terms of its direct and indirect treatment of such issues as race gender class ability age sexuality and sexual orientation The book also offers specific guidance for determining the appropriate readership for a work with regard to age and gender Unusually extensive annotations The main body of the book is an annotated bibliography alphabetical by author with the works arranged chronologically by publication date The annotations are much more extensive than those in other bibliographies Each annotation reads more like a full length book review and is from one to two pages long and explores themes plot and character development evaluates the quality of the writing judges the handling of issues of race class and gender and provides a readership recommendation Written in accessible language this user friendly book presents a wide range of factual information evaluations and analyses It is a valuable tool for all teachers librarians counselors and young adults

Encyclopedia of African American Women Writers Yolanda Williams Page, 2007-01-30 African American women writers published extensively during the Harlem Renaissance and have been extraordinarily prolific since the 1970s This book surveys the world of African American women writers Included are alphabetically arranged entries on more than 150 novelists poets playwrights short fiction writers autobiographers essayists and influential scholars The Encyclopedia covers established contemporary authors such as Toni Morrison and Gloria Naylor along with a range of neglected and emerging figures Each entry is written by an expert contributor and provides a brief biography a discussion of major works a survey of the author's critical reception and primary and secondary bibliographies Literature students will value this book for its exploration of African American literature while social studies students will appreciate its examination of social issues through literature African American women writers have made an enormous contribution to our culture Many of these authors wrote during the Harlem Renaissance a particularly vital time in African American arts and letters while others have been especially active since the 1970s an era in which works by African American women are adapted into films and are

widely read in book clubs Literature by African American women is important for its aesthetic qualities and it also illuminates the social issues which these authors have confronted This book conveniently surveys the lives and works of African American women writers Included are alphabetically arranged entries on more than 150 African American women novelists poets playwrights short fiction writers autobiographers essayists and influential scholars Some of these figures such as Toni Morrison and Gloria Naylor are among the most popular authors writing today while others have been largely neglected or are recently emerging Each entry provides a biography a discussion of major works a survey of the writer's critical reception and primary and secondary bibliographies The Encyclopedia closes with a selected general bibliography Students and general readers will welcome this guide to the rich achievement of African American women Literature students will value its exploration of the works of these writers while social studies students will appreciate its examination of the social issues these women confront in their works

Masterplots II. Frank Northen Magill,1991 *Sexual Cultures and the Construction of Adolescent Identities* Janice Irvine,2009 Adolescent sexual awakening is reevaluated in terms of social and cultural influences **Becoming a Woman Through Romance** Linda K. Christian-Smith,2019-10-01 A woman is incomplete without a man motherhood is a woman's destiny and a woman's place is in the home These conservative political themes are woven throughout teen romance fiction's sagas of hearts and flowers Using the theory and interpretive methods of feminism and cultural studies Christian Smith explores the contradictory role that popular culture plays in constructing gender class race age and sexual meanings Originally published in 1990 *Becoming a Woman through Romance* combines close textual analyses of thirty-four teen romance novels written in the United States from 1942-1982 with a school study in three midwestern American schools Christian Smith situates teen romance fiction within the rapidly changing publishing industry and the important political and economic changes in the United States surrounding the rise of the New Right By analysing the structure of the novels in terms of the themes of romance sexuality and beautification and the Good Bad and Strong Weak dichotomies she demonstrates how each has shaped the novels' versions of femininity over forty years She also shows that although romance fiction is presented as a universal model it is actually an expression of white middle class gender ideology and tension within this class This highly readable comprehensive and coherent work was the first to combine in one volume three vital areas of cultural studies research the political economy of publishing textual analysis and a study of readers The first full scale study of teen romance fiction *Becoming a Woman through Romance* establishes the importance of the study of popular culture forms found in school for understanding the process of school materials in identity formation

Best Books for Young Adults Holly Koelling,2007-08-13 Rev ed of Best books for young adults Betty Carter with Sally Estes and Linda Waddle 2nd ed c2000 Catalog of Copyright Entries.
