

CHAPTER 19 NUMERICAL TRIGONOMETRY

The word "trigonometry" means "measurement by triangles." As it is presented in many textbooks, trigonometry includes topics other than triangles and measurement. However, this chapter is intended only as an introduction to the numerical aspects of trigonometry as they relate to measurement of lengths and angles.

SPECIAL PROPERTIES OF RIGHT TRIANGLES

A **RIGHT TRIANGLE** has been defined as any triangle containing a right angle. The side opposite the right angle in a right triangle is a **HYPOTENUSE**. (See fig. 19-1.) In figure 19-1, side AC is the hypotenuse.

Figure 19-1.—A right triangle.

An important property of all right triangles, which relates the lengths of the three sides, was discovered by the Greek philosopher Pythagoras.

PYTHAGOREAN THEOREM

The rule of Pythagoras, or **PYTHAGOREAN THEOREM**, states that the square of the length of the hypotenuse (in any right triangle) is equal to the sum of the squares of the lengths of the other two sides. For example, if the sides are

Figure 19-2.—The Pythagorean Theorem.

(A) General triangle; (B) triangle with sides of specific lengths.

labeled as in figure 19-2 (A), the Pythagorean Theorem is stated in symbols as follows:

$$x^2 + y^2 = r^2$$

An example of the use of the Pythagorean Theorem in a problem follows:

EXAMPLE: Find the length of the hypotenuse in the triangle shown in figure 19-2 (B).

$$\begin{aligned} \text{SOLUTION: } r^2 &= 3^2 + 4^2 \\ r &= \sqrt{9 + 16} \\ &= \sqrt{25} = 5 \end{aligned}$$

EXAMPLE: An observer on a ship at point A, figure 19-3, knows that his distance from point C is 1,200 yards and that the length of BC is 1,300 yards. He measures angle A and finds that it is 90° . Calculate the distance from A to B.

SOLUTION: By the rule of Pythagoras,

$$\begin{aligned} (BC)^2 &= (AB)^2 + (AC)^2 \\ (1,300)^2 &= (AB)^2 + (1,200)^2 \\ (1,300)^2 - (1,200)^2 &= (AB)^2 \\ (13 \times 10^2)^2 - (12 \times 10^2)^2 &= (AB)^2 \\ (169 \times 10^4) - (144 \times 10^4) &= (AB)^2 \\ 25 \times 10^4 &= (AB)^2 \\ 500 \text{ yd} &= AB \end{aligned}$$

Numerical Trigonometry

Emilie Sanchez

Numerical Trigonometry:

Embark on a breathtaking journey through nature and adventure with is mesmerizing ebook, **Numerical Trigonometry** . This immersive experience, available for download in a PDF format (Download in PDF: *), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!

Numerical Trigonometry Introduction

In the digital age, access to information has become easier than ever before. The ability to download Numerical Trigonometry has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Numerical Trigonometry has opened up a world of possibilities. Downloading Numerical Trigonometry provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Numerical Trigonometry has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Numerical Trigonometry. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Numerical Trigonometry. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Numerical Trigonometry, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Numerical Trigonometry has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Numerical Trigonometry Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Numerical Trigonometry is one of the best book in our library for free trial. We provide copy of Numerical Trigonometry in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Numerical Trigonometry. Where to download Numerical Trigonometry online for free? Are you looking for Numerical Trigonometry PDF? This is definitely going to save you time and cash in something you should think about.
