Deitrick, Ilia Murtazashvili, 2022-01-15 When Fracking Comes to Town traces the response of local communities to the shale gas revolution Rather than cast communities as powerless to respond to oil and gas companies and their landmen it shows that communities have adapted their local rules and regulations to meet the novel challenges accompanying unconventional gas extraction through fracking The multidisciplinary perspectives of this volume s essays tie together insights from planners legal scholars political scientists and economists What emerges is a more nuanced
