Rattle Of A Simple Man:

British Film Directors Robert Shail, 2007 This concise authoritative volume analyses critically the work of 100 British directors from the innovators of the silent period to contemporary auteurs *Coming Full Circle* Anne Ibbotson, Sixties British Cinema Robert Murphy, 2019-07-25 British films of the 1960s are undervalued Their search for realism has often been dismissed as drabness and their more frivolous efforts can now appear just empty headed Robert Murphy's *Sixties British Cinema* is the first study to challenge this view He shows that the realist tradition of the late 50s and early 60s was anything but dreary and depressing and gave birth to a clutch of films remarkable for their confidence and vitality *Saturday Night and Sunday Morning* *A Kind of Loving* and *A Taste of Honey* are only the better known titles *Sixties British Cinema* revalues key genres of the period horror crime and comedy and takes a fresh look at the swinging London films finding disturbing undertones that reflect the cultural changes of the decade Now that our cinematic past is constantly recycled on television Murphy's informative engaging and perceptive review of these films and their cultural and industrial context offers an invaluable guide to this neglected era of British cinema

The 1961-1970: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1997 Back in print after more than fifteen years this American Film Institute Catalog covers the decade of the sixties This was the era in which films began to challenge the taboos on sex and violence and treated social issues in a new light Included in this volume are *The Wild Bunch* *Bonnie and Clyde* *Guess Who's Coming to Dinner* and *Who's Afraid of Virginia Woolf* The decade also produced such all time classics as *The Sound of Music* *To Kill a Mockingbird* and *The Graduate* The Encyclopedia of Film James Monaco, 1991 An alphabetical reference on the major film figures stars producers directors writers et al past and present Each entry provides a substantial career biography and a complete listing of all films the individual has been involved with Annotation copyrighted by Book News Inc Portland OR

Marked Women Russell Campbell, 2006-04-05 Julia Roberts played a prostitute famously in *Pretty Woman* So did Jodie Foster in *Taxi Driver* Jane Fonda in *Klute* Anna Karina in *Vivre sa vie* Greta Garbo in *Anna Christie* and Charlize Theron who won an Academy Award for *Monster* This engaging and generously illustrated study explores the depiction of female prostitute characters and prostitution in world cinema from the silent era to the present day industry From the woman with control over her own destiny to the woman who cannot get away from her pimp Russell Campbell shows the diverse representations of prostitutes in film *Marked Women* classifies fifteen recurrent character types and three common narratives many of them with their roots in male fantasy *The Happy Hooker* for example is the liberated woman whose only goal is to give as much pleasure as she receives while the Avenger a nightmare of the male imagination represents the threat of women taking retribution for all the oppression they have suffered at the hands of men *The Love Story* a common narrative represents the prostitute as both heroine and anti heroine while *Condemned to Death* allows men to manifest in imagination only their hostility toward women by killing off the troubled prostitute in an act

of cathartic violence The figure of the woman whose body is available at a price has fascinated and intrigued filmmakers and filmgoers since the very beginning of cinema but the manner of representation has also been highly conflicted and fiercely contested Campbell explores the cinematic prostitute as a figure shaped by both reactionary thought and feminist challenges to the norm demonstrating how the film industry itself is split by fascinating contradictions **Transformation and Tradition in 1960s British Cinema** Farmer Richard Farmer,2019-05-03

Over half a century on the 1960s continue to generate strong intellectual and emotional responses both positive and negative and this is no less true in the arena of film Making substantial use of new and underexplored archive resources that provide a wealth of information and insight on the period in question this book offers a fresh perspective on the major resurgence of creativity and international appeal experienced by British cinema in that dramatic decade Transformation and Tradition in 1960s British Cinema is the first scholarly volume on this period of British cinema for more than twenty five years It provides a major reconsideration of the period by focusing on the central tensions and contradiction between novelty revolution and continuity tradition during what remains a highly contentious period of cultural production and consumption **The British Film Industry in 25 Careers** Geoffrey Macnab,2021-01-28

The British Film Industry in 25 Careers tells the history of the British film industry from an unusual perspective that of various mavericks visionaries and outsiders who often against considerable odds have become successful producers distributors writers directors editors props masters publicists special effects technicians talent scouts stars and sometimes even moguls Some such as Richard Attenborough and David Puttnam are well known names Others such as the screenwriter and editor Alma Reville also known as Mrs Alfred Hitchcock Constance Smith the lost star of British cinema or the producer Betty Box and her director sister Muriel are far less well known What they all have in common though is that they found their own pathways into the British film business overcoming barriers of nationality race class and gender to do so Counterpointing the essays on historical figures are interviews with contemporaries including the director Amma Asante the writer and filmmaker Julian Fellowes artist and director Isaac Julien novelist and screenwriter Hanif Kureishi and media entrepreneur Efe Cakarel founder of the online film platform MUBI who've come into today's industry adjusting to an era in which production and releasing models are changing and in which films are distributed digitally as well as theatrically **Women Film Directors** Gwendolyn A. Foster,1995-11-14

Until now there hasn't been one single volume authoritative reference work on the history of women in film highlighting nearly every woman filmmaker from the dawn of cinema including Alice Guy France 1896 Chantal Akerman Belgium Penny Marshall U S and Sally Potter U K Every effort has been made to include every kind of woman filmmaker commercial and mainstream avant garde and minority and to give a complete cross section of the work of these remarkable women Scholars and students of film popular culture Women's Studies and International Studies as well as film buffs will learn much from this work The Dictionary covers the careers of nearly 200 women filmmakers giving vital statistics where available listings of films directed by these women and selected

bibliographies for further reading This is a one volume one stop resource a comprehensive up to date guide that is absolutely essential for any course offering an overview or survey of women s cinema It offers not only all available statistics but critical evaluations of the filmmakers work as well In order to keep the length manageable this volume focuses on women who direct fictional narrative films with occasional forays into the area of the documentary and is limited to film production rather than video production

Femininity in the Frame Melanie Bell,2009-11-30 It s widely assumed that Britain in the 1950s experienced a return to traditional gender roles Popular cinema has typically been seen to represent this era through the dominant image of the happy housewife Femininity in the Frame is a sharply observant account of how British cinema engaged with femininity and women s roles during this important period Written in a lively and accessible manner it challenges received understandings arguing that the period was marked by social unease and anxiety about gender roles and femininity with much British cinema producing ambiguous messages about feminine identities and the role of women Through analysing marginalized figures such as prostitutes criminals and femmes fatales and addressing central themes notably sexuality marriage and female friendship Melanie Bell examines how British popular cinema imagined and constructed femininity in this era of rapid social and cultural change She draws together sources ranging from official reports to film reviews with case studies of films across genres including The Perfect Woman Young Wives Tale The Weak and the Wicked and A Town Like Alice to show how new ideas and understandings of femininity were seeping into the cultural imagery at this time She demonstrates how such films expressed proto feminist ideas and how they ultimately explored new forms of femininity in a manner that has not until now been recognised

The Two of Us Sheila Hancock,2009-08-17 When John Thaw star of The Sweeney and Inspector Morse died from cancer in 2002 a nation lost one of its finest actors and Sheila Hancock lost a beloved husband In this unique double biography she chronicles their lives personal and professional together and apart John Thaw was born in Manchester the son of a lorry driver When he arrived at RADA on a scholarship he felt an outsider In fact his timing was perfect it was the sixties and television was beginning to make its mark With his roles in Z Cars and The Sweeney fame came quickly But it was John s role as Morse that made him an icon In 1974 he married Sheila Hancock with whom he shared a working class background and a RADA education Sheila was already the star of the TV series The Rag Trade and went on to become the first woman artistic director at the RSC Theirs was a sometimes turbulent always passionate relationship and in this remarkable book Sheila describes their love weathering overwork and the pressures of celebrity drink and cancer with honesty and piercing intelligence and evokes two lives lived to the utmost

Open a New Window Ethan Mordden,2002-11-16 In the 1960s the Broadway musical underwent a revolution What was once a form of entertainment characterized by sentimental standards such as Camelot and Hello Dolly became one of brilliant and bittersweet masterpieces such as Cabaret and Fiddler on the Roof In Open a New Window Mordden continues his history of the Broadway musical with the decade that bridged the gap between the fanciful shows of the fifties such as

Call Me Madam and the sophisticated fare of the seventies including A Little Night Music and Follies Here in brilliant detail are the decade and the people that transformed the Broadway musical from the writer who knows it best American Remakes of British Television Carlen Lavigne, Heather Marcovitch, 2011-03-31 Ever since Norman Lear remade the BBC series Till Death Us Do Part into All in the Family American remakes of British television shows have become part of the American cultural fabric Indeed some of the programs currently said to exemplify American tastes and attitudes from reality programs like American Idol and What Not to Wear to the mock documentary approach of The Office are adaptations of successful British shows Carlen Lavigne and Heather Marcovitch's American Remakes of British Television Transformations and Mistranslations is a multidisciplinary collection of essays that focuses on questions raised when a foreign show is adapted for the American market What does it mean to remake a television program What does the process of Americanization entail What might the success or failure of a remade series tell us about the differences between American and British producers and audiences This volume examines British to American television remakes from 1971 to the present The American remakes in this volume do not share a common genre format or even level of critical or popular acclaim What these programs do have in common however is the sense that something in the original has been significantly changed in order to make the program appealing or accessible to American audiences The contributors display a multitude of perspectives in their essays British to American television remakes as a whole are explained in terms of the market forces and international trade that make these productions financially desirable Sanford and Son is examined in terms of race and class issues Essays on Life on Mars and Doctor Who stress television's role in shaping collective cultural memories An essay on Queer as Folk explores the romance genre and also talks about differences in national sexual politics An examination of The Office discusses how the American remake actually endorses the bureaucracy that the British original satirized
