Rattlesnakes And Wild Horses:

Rattlesnakes & Wild Horses Cristina Gonzalez, 2012-01-18 The self made map of a woman doing her best to navigate through her twenties as smoothly as possible presented in the form of twenty two poems *Rattlesnakes and Wild Horses and Other Campfire Tales* Clarence Alfred Frost, 1993 [Why Monticello? A Utah Memoir](#) Patricia Wakeley, 2017-01-13 Why Monticello When two Boston women announce their intention to retire to southeastern Utah their friends are baffled Where is this place anyway Do you have family out there What about the Mormons Why Monticello A Utah Memoir tells of their adventures as they try to build a retirement home in what seems a promised land Join Patricia Wakeley as she describes their love of the mountains their efforts to buy land their work with architects and builders and their new neighbors in the rural town of Monticello Utah This memoir carries readers through trials and triumphs from culture shock and a lost wooden leg to the thrill of spring flowers blooming in the desert It tells of long held dreams the challenges of advancing age an encounter with fate in Kansas and always persistence in seeking their home in the West *Colorado Curiosities: Rattlesnake Kate, The Crying Bridge, Kit Carson's Last Trip and More* Cindy Brick, 2021 Colorado's Front Range Western Slope eastern plains and southern approaches were home to some of the state's stranger people places and events Meet Mike the Headless Chicken from Fruita and a Fort Collins architect who designed a university building to house his wife after he killed her Learn about Florence's The Alcatraz of the Rockies or Doc Holliday's final breaths in Glenwood Springs Dig into the odd conspiracy theories and underground city connected to the Denver International Airport Walk alongside dinosaur tracks scout out old mines and ancient petroglyphs or climb into Mesa Verde's shaded mysterious cliff dwellings Author Cindy Brick shares quirky odd and intriguing episodes in Colorado history **The Last Ride of the Pony Express** Will Grant, 2023-06-06 Spellbinding Douglas Preston and completely fascinating Elizabeth Letts cowboy and journalist Will Grant takes us on an epic and authentic horseback journey into the modern West on an adventure of a lifetime The Last Ride of the Pony Express boldly illuminates both our mythic fascination with the Pony Express and how its spirit continues to this day The Pony Express was a fast horse frontier mail service that spanned the American West the high dry and undeniably lonesome part of North America While in operation during the 1860s it carried letter mail on a blistering ten day schedule between Missouri and San Francisco running through a vast and mostly uninhabited wilderness It covered a massive distance akin to running horses between Madrid and Moscow and to this day the Pony Express is irrefutably the greatest display of American horsemanship to ever color the pages of a history book Though the Pony Express has enjoyed a lot of traction over the years among the authors that have attempted to encapsulate it none have ever ridden it themselves While most scholars would look for answers inside a library Will Grant looks for his between the ears of a horse Inspired by the likes of Mark Twain Sir Richard Burton and Horace Greeley all of whom traveled throughout the developing West Will Grant returned to his roots he would ride the trail himself with his two horses Chicken Fry and Badger from one end to the other Will Grant captures the spirit of

the west in a way that few writers have Along with rich encounters with the ranchers farmers historians and businessmen who populate the trail his exploits on horseback offer an intimate portrait of how the West has evolved from the rough and tumble 19th century to the present and it s written with such intimacy that you ll feel as though you re riding right alongside of him Along the way he fights off wild mustangs wanting to steal his horses in Utah camps with Peruvian shepherders in the mountains and even spends three days riding under the Top Gun aviator school in Nevada which are just a handful of extraordinary tales Will Grant unveils as he makes his way across the treacherous and at times thrilling landscape of the known and unknown American West The Last Ride of the Pony Express is a uniquely tenacious tale of adventure by a native son of the West who defies most modern conveniences to compass some two thousand miles on horseback The result is an unforgettable narrative that will forever change how you see the West the Pony Express and America as a whole

Rattlesnake Rock Angela Dorsey,2011-07-11 Rosa is faced with a terrible choice Senor Garcia the owner of the Mexican ranch where she and her family live has offered her a dream job and a mustang colt of her own If she accepts his offer five of the twelve recently captured mustangs get to live her parents get to keep their jobs and her friend gets a new assistant her Almost everyone will be a winner Almost Seven unwanted mustangs will be sent to slaughter Can Rosa let that happen But what choice does she have There s no way she can save the mustangs

The Horse That Won the West John Christopher Fine,2025-06-03 The remarkable Sorraia horse a resilient breed that shaped American history from Spanish conquest to the modern West now fights for survival in a contentious battle between preservation and progress In 1519 when indigenous peoples first encountered Hern n Cort s s mounted army they believed they were witnessing supernatural creatures half man half beast These monsters were Sorraia horses compact but hardy steeds from southern Portugal whose stamina and adaptability would prove crucial to the European conquest of the Americas While smaller than other breeds these resilient horses not only survived grueling Atlantic crossings but thrived in the New World becoming the foundation of the American mustang Though nearly forgotten by history until the 20th century the Sorraia s legacy endures in isolated wild herds across South Dakota Wyoming Oregon and Nevada Today these living links to America s past find themselves at the center of an increasingly urgent debate over public lands wildlife management and cultural preservation Marine biologist and horse breeder John Christopher Fine draws from extensive research and firsthand experience to trace this remarkable breed s journey from its Iberian origins through its role in shaping North American history to its current status as a rare breed fighting for survival Featuring over 100 stunning color photographs this richly detailed narrative reveals not just the story of a horse but a mirror of America s complex relationship with its wild heritage

The Last Lynching in Northern Virginia: Seeking Truth at Rattlesnake Mountain Jim Hall,2016-09-12 In 1932 a black man wa found hanging on Rattlesnake Mountain in Fauquier County A mob set fire to his body Official identified the remains as Shedrick Thompson wanted for the abduction and rape of a local white woman Some claimed

The Saints of Rattlesnake Mountain Don Waters,2017-05-22 Master storyteller Don Waters returns to the desert in his third book set in the American Southwest With the gothic sensibility of Flannery O Connor and emotional delicacy of Raymond Carver these nine contemporary stories deftly explore the lives of characters losing or clinging to a fleeting faith and struggling to find something meaningful to believe in beneath overpowering desert skies Soldiers seekers priests prisoners and surfers pursue their fate amid bizarre sometimes overwhelming circumstances In La Luz de Jes s a gutless Los Angeles screenwriter a believer in nothing but the god of Hollywood must reorient after he encounters a group of penitents in New Mexico s Sangre de Cristo Mountains The decorated soldier in Espa ola faces more chaos back home than he did during his tour in Iraq And The Saints of Rattlesnake Mountain pairs a trustee prison inmate and a wild mustang horse both wards of the state of Nevada as they fumble toward a spiritual truth These stories capture the spirit of a region and its people Once again Waters assembles an unconventional cast of characters capturing their foibles and imperfections and always rendering them with compassion as these modern day martyrs and spiritually haunted survivors strive for some kind of redemption Ingenious sometimes forbidding often absurd and altogether original The Saints of Rattlesnake Mountain is a stirring tribute to the lives loves and hopes of the faithful and the dispossessed

Two Wars Samuel G. French,2020-08-03 Reproduction of the original Two Wars An Autobiography of Gen Samuel G French by Samuel G French

As Far as the Eye Could Reach Phyllis S. Morgan,2015-08-24 Travelers and traders taking the Santa Fe Trail s routes from Missouri to New Mexico wrote vivid eyewitness accounts of the diverse and abundant wildlife encountered as they crossed arid plains high desert and rugged mountains Most astonishing to these observers were the incredible numbers of animals many they had not seen before buffalo antelope pronghorn prairie dogs roadrunners mustangs grizzlies and others They also wrote about the domesticated animals they brought with them including oxen mules horses and dogs Their letters diaries and memoirs open a window onto an animal world on the plains seen by few people other than the Plains Indians who had lived there for thousands of years Phyllis S Morgan has gleaned accounts from numerous primary sources and assembled them into a delightfully informative narrative She has also explored the lives of the various species and in this book tells about their behaviors and characteristics the social relations within and between species their relationships with humans and their contributions to the environment and humankind With skillful prose and a keen eye for a priceless tale Morgan reanimates the story of life on the Santa Fe Trail s well worn routes and its sometimes violent intersection with human life She provides a stirring view of the land and of the animals visible as far as the eye could reach as more than one memoirist described She also champions the many contributions animals made to the Trail s success and to the opening of the American West
