Raving Autumn And Other Stories

Yicheng Fang

A decorative red circular graphic element, resembling a stylized sun or a lens flare, is positioned to the right of the author's name. It has a soft, glowing red center that fades into a lighter red and then into the white background of the slide.

Raving Autumn And Other Stories:

Wilde the Irishman Jerusha Hull McCormack, 1998-01-01 In this vigorous study seventeen leading Irish artists critics and cultural commentators explore the neglected theme of Wilde s Irishness Jacket **The Encantadas and Other Stories** Herman Melville, 2012-03-06 This collection features 14 of Melville s short stories reprinted from Harper s and Putnam s magazines including *The Encantadas* or *Enchanted Isles* a dramatic story set on the Galapagos Islands plus *The Bell Tower* more *Billy Budd & Other Stories* Herman Melville, 1998 Stung by the critical reception and lack of commercial success of his previous two works *Moby Dick* and *Pierre* Herman Melville became obsessed with the difficulties of communicating his vision to readers His sense of isolation lies at the heart of these later works *Billy Budd* Sailor a classic confrontation between good and evil is the story of an innocent young man unable to defend himself against a wrongful accusation The other selections here *Bartleby* *The Encantadas* *Benito Cereno* and *The Piazza* also illuminate in varying guises the way fictions are created and shared with a wider society In his introduction Frederick Busch discusses Melville s preoccupation with his correspondence with the world his quarrel with silence and why fiction was for Melville a matter of life and death Book jacket

The Gipsies, and Other Stories Helen Shaw, 1978 *Vathek and Other Stories* Malcolm Jack, William Beckford, 2007-04-26 Beckford s Gothic novel *Vathek* an Arabian tale was originally written in French when the author was twenty one Published in English in 1786 it was one of the most successful of the oriental tales then in fashion This edition makes available to a new generation of scholars and general readers the originality of Beckford s ideas and the excellence of his prose **Helen Breaks Bones and Other Stories** Robert Dennison, 2002 **The Cumulative Book Index** , 1991 A world list of books in the English language *The Irish Review* , 1991 *Maria, Maria: & Other Stories* Marytza K. Rubio, 2022-04-26 **LOGLISTED FOR THE 2022 NATIONAL BOOK AWARD FOR FICTION** Conjuring entrancing tales of Mexican American mystics and misfits Marytza K Rubio shatters the boundaries of reality with this fiercely imaginative debut The first witch of the waters was born in Destruction The moon named her Maria Set against the tropics and megacities of the Americas Maria Maria takes inspiration from wild creatures tarot and the porous borders between life and death Motivated by love and its inverse grief the characters who inhabit these stories negotiate boldly with nature to cast their desired ends As the enigmatic community college professor in *Brujer* a for Beginners reminds us There s always a price for conjuring in darkness You won t always know what it is until payment is due This commitment drives the disturbingly faithful widow in *Tijuca* who promises to bury her husband s head in the rich dirt of the jungle and the sisters in *Moksha* who are tempted by a sleek obsidian dagger once held by a vampiric idol But magic isn t limited to the women who wield it As Rubio so brilliantly elucidates animals are powerful magicians too Subversive pigeons and hungry jaguars are called upon in *Tunnels* and a lonely little girl runs free with a resurrected saber toothed tiger in *Burial* A colorful catalog of gallery exhibits from animals in therapy is featured in *Art Show* including the Almost Philandering Fox who longs after the red pelt of another

and the recently rehabilitated Paranoid Peacocks Brimming with sharp wit and ferocious female intuition these stories bubble over into the titular novella Maria Maria a tropigoth family drama set in a reimagined California rainforest that explores the legacies of three Marias and possibly all Marias Writing in prose so lush it threatens to creep off the page Rubio emerges as an ineffable new voice in contemporary short fiction **The Small Faces & Other Stories** Roland

Schmitt,2011-08-01 The Small Faces Other Stories is a trip back in time charting the rise and fall of one of the Sixties most energetic and successful bands It is the extraordinary story of how this bold four piece led by mercurial cockney Steve Marriot found fame and then splintered by the end of the decade to evolve into Humble Pie with Peter Frampton and the Faces fronted by Rod Stewart Along the way their trademark songs Itchycoo Park All or Nothing Stay With Me and Baby I Love Your Way would influence future generations of musicians such as Paul Weller Ocean Colour Scene and Blur By way of anecdote interview and analysis Uli Twelker and Roland Schmitt lift the lid on the bands complex histories and the explosive characters involved that built one of rock music s most enduring and successful family trees **Coupon Bonds and Other**

Stories John Townsend Trowbridge,1884 *Hard times, and other stories* Charles Dickens,1894 **The Works of Aphra Behn: v. 3: Fair Jill and Other Stories** Janet Todd,2018-10-24 Aphra Behn 1640 1689 was one of the most successful dramatists of the Restoration theatre and a popular poet This is the third volume in a set of seven which comprises a complete edition of all her works The angels' charge, and other stories Ellen Ross,1888 **International Books in**

Print ,1991 **Irish University Review** ,1992 **Hard Times (And Other Stories)** Charles Dickens,2014-02-26 When Hard Times appeared as a serial in Household Words in 1854 Dickens was about midway in his literary career In the same year this novel appeared in an octavo volume with a dedication to Thomas Carlyle Its purpose according to Dickens himself was to satirize those who see figures and averages and nothing else the representatives of the wickedest and most enormous vice of this time the men who through long years to come will do more to damage the really useful facts of Political Economy than I could do if I tried in my whole life The satire however like much that Dickens attempted in the same vein was not very bitter The characters in Hard Times are not numerous and the plot itself is less intricate than others by the same author The chief figures are Mr Thomas Gradgrind a man of realities with his unbounded faith in statistics Louisa his eldest daughter and Josiah Bounderby as practical as Mr Gradgrind but less kind hearted Louisa though many years younger than Mr Bounderby is persuaded by her father to marry him She is also influenced in making this marriage by her desire to smoothe the path of her brother Tom a clerk in Mr Bounderby s office Though not happy she resists the blandishments of James Harthouse a professed friend of her husband s To escape him she has to go home to her father and this leads to a permanent estrangement between husband and wife In the mean time Tom Gradgrind has stolen money from Bounderby and to avoid punishment runs away from England **New Books on Women and Feminism** ,1991 *Irish Publishing Record* ,1992

Review of Contemporary Fiction ,1991
