one of the most dangerous gangs in America Queen jumped at the chance not realizing that he was kicking starting the most extensive undercover operation inside an outlaw motorcycle gang in the history of American law enforcement Nor did Queen suspect that he would penetrate the gang so successfully that he would become a fully patched in member eventually rising through their ranks to the office of treasurer where he had unprecedented access to evidence of their criminal activity After Queen spent twenty eight months as Billy St John the bearded beer swilling Harley riding gang banger the truth of his identity became blurry even to himself During his initial prospecting phase Queen was at the mercy of crank fueled criminal psychopaths who sought to have him test his mettle and prove his fealty by any means necessary from selling and doing drugs to arms trafficking stealing motorcycles driving getaway cars and in one shocking instance stitching up the face of a Mongol ol lady after a particularly brutal beating at the hands of her boyfriend Yet despite the constant criminality of the gang for whom planning cop killings and gang rapes were business as usual Queen also came to see the genuine camaraderie they shared When his lengthy undercover work totally isolated Queen from family his friends and ATF colleagues the Mongols felt like the only family he had left I had no doubt these guys genuinely loved Billy St John and would have laid down their lives for him But they wouldn't hesitate to murder Billy Queen From Queen's first sleight of hand with a line of methamphetamine in front of him and a knife at his throat to the fearsome face off with their decades old enemy the Hell's Angels a brawl that left three bikers dead to the heartbreaking scene of a father ostracized at Parents Night because his deranged outlaw appearance precluded any interaction with regular citizens Under and Alone is a breathless adrenaline charged read that puts you on the street with some of the most dangerous men in America and with the law enforcement agents who risk everything to bring them in

**Matinee Melodrama** Scott Higgins,2016-02-26 Long before Batman Flash Gordon or the Lone Ranger were the stars of their own TV shows they had dedicated audiences watching their adventures each week The difference was that this action took place on the big screen in short adventure serials whose exciting cliffhangers compelled the young audience to return to the theater every seven days Matinee Melodrama is the first book about the adventure serial as a distinct artform one that uniquely encouraged audience participation and imaginative play Media scholar Scott Higgins proposes that the serial s incoherent plotting and reliance on formula far from being faults should be understood as some of its most appealing attributes helping to spawn an active fan culture Further he suggests these serials laid the groundwork not only for modern day cinematic blockbusters like Star Wars and Raiders of the Lost Ark but also for all kinds of interactive media that combine spectacle storytelling and play As it identifies key elements of the serial form from stock characters to cliffhangers Matinee Melodrama delves deeply into questions about the nature of suspense the aesthetics of action and the potentials of formulaic narrative Yet it also provides readers with a loving look at everything from Zorro s Fighting Legion to Daredevils of the Red Circle conveying exactly why these films continue to thrill and enthrall their fans
