The Case of the Indian Trader Paul D. Berkowitz, 2011 This is the story of Billy Gene Malone and the end of an era Malone lived almost his entire life on the Navajo Reservation working as an Indian trader the last real Indian trader to operate historic Hubbell Trading Post In 2004 the National Park Service NPS launched an investigation targeting Malone alleging a long list of crimes that literally equated him with the likes of Al Capone A thought provoking story of the dark side of a respected branch of the American government The Case of the Indian Trader will open the eyes of a wide audience

Blanket Weaving in the Southwest Joe Ben Wheat, 2022-06-21 Exquisite blankets sarapes and ponchos handwoven by southwestern peoples are admired throughout the world Despite many popularized accounts serious gaps have existed in our understanding of these textiles gaps that one man devoted years of scholarly attention to address During much of his career anthropologist Joe Ben Wheat 1916-1997 earned a reputation as a preeminent authority on southwestern and plains prehistory Beginning in 1972 he turned his scientific methods and considerable talents to historical questions as well He visited dozens of museums to study thousands of nineteenth century textiles oversaw chemical tests of dyes from hundreds of yarns and sought out obscure archives to research the material and documentary basis for textile development His goal was to establish a key for southwestern textile identification based on the traits that distinguish the Pueblo Navajo and Spanish American blanket weaving traditions and thereby provide a better way of identifying and dating pieces of unknown origin Wheat's years of research resulted in a masterful classification scheme for southwestern textiles and a book that establishes an essential baseline for understanding craft production Nearly completed before Wheat's death Blanket Weaving in the Southwest describes the evolution of southwestern textiles from the early historic period to the late nineteenth century establishes a revised chronology for its development and traces significant changes in materials techniques and designs Wheat first relates what Spanish observers learned about the state of native weaving in the region a historical review that reveals the impact of new technologies and economies on a traditional craft Subsequent chapters deal with fibers yarns dyes and fabric structures including an unprecedented examination of the nature variety and origins of bayeta yarns and with tools weaves and finishing techniques A final chapter constructed by editor Ann Hedlund from Wheat's notes provides clues to his evolving ideas about the development of textile design Hedlund herself a respected textile scholar and a protégé of Wheat's is uniquely qualified to interpret the many notes he left behind and brings her own understanding of weaving to every facet of the text She has ensured that Wheat's research is applicable to the needs of scholars collectors and general readers alike Throughout the text Wheat discusses and evaluates the distinct traits of the three textile traditions

More than 200 photos demonstrate these features including 191 color plates depicting a vast array of chief blankets shoulder blankets ponchos sarapes diyugi mantas and dresses from museum collections nationwide In addition dozens of line drawings demonstrate the fine points of technique concerning weaves edge finishes and corner tassels Through his groundbreaking and painstaking research Wheat created a new view of southwestern textile history that goes beyond any other book on the subject Blanket Weaving in the Southwest addresses a host of unresolved issues in textile research and provides critical tools for resolving them It is an essential resource for anyone who appreciates the intricacy of these outstanding creations

American Indian Tribes of the Southwest Michael G Johnson,2013-04-20 This focuses on the history costume and material culture of the native peoples of North America It was in the Southwest modern Arizona New Mexico and parts of California and other neighboring states that the first major clashes took place between 16th century Spanish conquistadors and the indigenous peoples of North America This history of contact conflict and coexistence with first the Spanish then their Mexican settlers and finally the Americans gives a special flavor to the region Despite nearly 500 years of white settlement and pressure the traditional cultures of the peoples of the Southwest survive today more strongly than in any other region The best known clashes between the whites and the Indians of this region are the series of Apache wars particularly between the early 1860s and the late 1880s However there were other important regional campaigns over the centuries for example Coronado s battle against the Zuni at Hawikuh in 1540 during his search for the legendary Seven Cities of Cibola the Pueblo Revolt of 1680 and the Taos Revolt of 1847 and warriors of all of these are described and illustrated in this book *Ray Manley's Southwestern Indian Arts & Crafts* Ray Manley,1975 Ray Manley is one of the best known photographers in Arizona and is well known for his photographic work in Indian Country as well as for contributions to the publication *Arizona Highways* Ray Manley died in 2006 This volume includes full color photos of a variety of Southwest Native American arts and crafts including jewelry pottery basketry Navajo weavings and Kachina dolls *Reflections of the Weaver's World* Ann Lane Hedlund,1992 Thomas Varker Keam Laura Graves,2016-11-18 Thomas Varker Keam owned and operated a trading post in Keams Canyon Arizona Territory from 1874 to 1902 He was the first trader to develop American Indian arts and crafts as part of his business and the first to suggest that Native artists modify their techniques to increase sales Keam had a major impact on the evolution of Hopi pottery Involved in early archaeological work in the Southwest Keam was the first trader to develop lucrative contacts with museum curators and anthropologists He sold enormous collections to the Smithsonian Institution the Field Museum and the Peabody Museum as well as several European institutions An advocate for the Indians Keam represented the Hopis and Navajos in confrontations with the U S government over civilizing programs between 1869 and 1902 when the Indians tried to maintain their political and cultural independence Thomas Varker Keam revised Indian trading so that he and American Indian artists profited *American Indian Art Magazine* ,2002 H.L. James's Rugs and Posts Harold L. James,1988 Looks at the history of the Navajo and their rugs describes how the rugs are made and discusses

the influence of trading posts
